FOREWORD

This ALMANAC AND YEAR BOOK is published for the use of all who love and serve the Reformed Church in the United States. In its pages the chief facts concerning the personnel of our organizations and agencies and of the outstanding activities of the year in our denomination are epitomized for your information and inspiration. In brief form for busy people, the ALMANAC AND YEAR BOOK for 1931 contains a revised roster of the ministers, judicatories, Boards, institutions and agencies of the Reformed Church in the United States, together with such statistics as may be of value to those who are concerned in the welfare of our Church. We are grateful for the spirit of co-operation among pastors and people which has given to this publication a circulation more extensive than that enjoyed by any other publication of our Church, but we hope for an even larger participation in the benefits which may be derived from knowing what the Church is doing, and what are the chief challenges to enlarged usefulness.

As 1930 was set aside as the Pentecostal Year, it is natural that we should seek to assess the values of that observance. It is never easy to measure spiritual movements, and the outcome of the seed-sowing in which pastors and people have been engaged will be determined by the fruitage of the coming years and not merely by the immediate harvest. Doubtless many have been disappointed in the results so far secured, but we should cherish the faith that the emphasis placed upon the Person and Work of the Holy Spirit will issue in a more deeply spiritual view of the ministry, the mission, and the motives of the Church.

The past year has been a time of readjustment in the financial affairs of our denomination and perhaps our more urgent problem arises from the fact that in seeking to make the financial year of the Church correspond with the calendar year, we have lost much of the momentum usually attained during the Lenten season. The income from the Apportionment has been greatly

reduced and the affairs of the Church placed in a rather precarious situation, unless by consecrated and concerted effort in the final months of the year we retrieve what has been lost. Inasmuch as the year from June, 1930, to June, 1931, has been set aside as Stewardship Year, it is peculiarly appropriate that we should emphasize at this time what our Catechism places so significantly in its first answer, "That I, with body and soul, both in life and death, am not my own, but belong to my faithful Saviour, Jesus Christ." The past year has been one of unusual industrial stress, when many of our people have been without work or have suffered from reduced incomes, and some of our congregations have undergone a real struggle to meet their obligations; but it must be remembered that in times of adversity the hearts of men are often unusually tender and more open to the Gospel message than in days of prosperity, and it may well be that out of this time of testing there shall come a renewal of strength and the things of the spirit may have a better chance for expression.

There are some symptoms of great encouragement as we face the work of another year. The splendid efforts of the Woman's Missionary Society of General Synod calls for special gratitude to God and to His faithful co-workers. The Churchmen's League is beginning to take hold upon the thought of some of our active men and may in time vie in activity with the splendid womanhood of our Church. While the attendance at the services of the sanctuary is by no means what it ought to be, there are reports of an upward trend from some sections, which are heartening. The eminent missionary, Stanley Jones, has said: "I feel that we are on the verge of one of the greatest spiritual awakenings, if we can meet it, that the world has seen in many a century. There is an upsurge of spiritual craving throughout the world." God grant that the pastors and people of the Reformed Church may have the faith, the courage and the patience to meet this awakening and to answer the world's hunger with the Bread of Life!

THE EXECUTIVE COMMITTEE OF THE GENERAL SYNOD

At the first meeting of the Executive Committee of the General Synod following the General Synod of 1929, the Executive Secretary suggested an outline of work for the triennium, stressing especially three major projects to engage the attention of the Church: the Every Member Canvass in the fall of each year, the setting aside of 1929-30 as Pentecostal Year, and of 1930-31 as Stewardship Year. This general program is being followed, and the many other details which are responsibilities of the Executive Committee are being co-ordinated as seems best, through the seven sub-committees.

Because of the multiplicity of tasks which have confronted it, the Executive Committee found it advisable to increase its secretarial force by the addition of an Assistant Executive Secretary. Rev. J. M. G. Darms, D.D., had resigned the presidency of the Mission House, and was therefore available for this office. His experience as the successful pastor of congregations in Buffalo and Rochester and of Salem, Allentown,—at that time the largest congregation of the denomination,—and as the Chairman of the Missionary and Stewardship Committee of Lehigh Classis, and his genuine interest in every phase of our denominational missionary and benevolent work eminently qualify him for the position of Assistant Executive Secretary. A call was issued to him, which he accepted and he began work for the Executive Committee September 1, 1930.

Our Reformed Church observed 1929-30 as the 1900th Anniversary of the Founding of the Christian Church with a special Pentecostal Year celebration. A program for its observance was prepared by the Executive Committee and was submitted to each of the Synods by some representative of the Executive Committee's Committee on Spiritual Resources, and also to the Classes at their fall meetings, and at the Consistorial Conferences. A copy of the suggested program was sent to every congregation through its pastor and consistory. During Lent a booklet entitled "Making Pentecost Count" was prepared under the auspices of the Committee on Spiritual Resources, and was placed in the hands of every pastor with the request that he study it with his consistory and read it to his members.

REV. J. M. G. DARMS, D.D.,
ASSISTANT EXECUTIVE SECRETARY
OF THE EXECUTIVE COMMITTEE
OF GENERAL SYNOD

Congregations everywhere had special celebrations, culminating on Whitsunday, June 8, 1930. Upon the recommendation of the Executive Committee, most of the Classes set aside a period in connection with their spring meetings for an "upper room" spiritual retreat. With pastors and people commemorating this blessed event it is earnestly hoped that results will be seen through the deepening and enriching of our spiritual lives.

The General Synod of 1929 recommended that the "Classes meet in regular session semi-annually; in the spring to consider questions relating to the life of the congregations or the interests of the Classis; and in the fall to consider the relation of the charges and the Classis to the denominational activities." The Boards of the General Synod, therefore, decided not to send statements to the Classes for their spring meetings, but to concentrate their efforts on the fall meetings at which time their work is to have special emphasis.

The Executive Committee, however, was rep-

resented by one or more of its members at most of the spring meetings of the Classes and prepared a statement which brought certain important matters such as the culmination of Pentecostal Year, the coming Stewardship Year, the constitutional amendments, and other topics to the attention of the Classes. Independent of this statement, a small booklet, entitled *Some Important Matters to Come Before the Classes at their Spring Meetings*, was prepared by the Executive Committee and sent to all pastors and delegate elders shortly before the spring meetings in order (1) that they might give earnest thought in advance to several very important matters; (2) to encourage them to discuss these matters with others; and (3) to invite a discussion of these matters in the Church papers. This booklet gave a bird's-eye view of the matters, summarized in very brief form the constitutional amendments which were to be voted upon by the Classes, and also clarified the issues involved in Church Union, which was to be discussed, but not voted upon, by the Classes.

The subject of Annuities has been under consideration by the Executive Committee for some time. The principles underlying Annuity Agreements are not understood by all of the agencies of the Reformed Church that write Annuity contracts. Practices are not uniform; some agencies offer unjustifiably high rates. The whole spirit of making a gift through an Annuity is in danger of being lost. The General Synod empowered its Executive Committee to fix uniform rates to be observed by all Boards and agencies. It is hoped that the study can be completed and final conclusions reached in the near future.

This has been the first year in which the Classical year corresponds with the calendar year. The seven-months Church year which ended December 31st brought in only a part of the seventieth Apportionment. During January certain Classes sent money to the Boards with the request that it be credited on the 1929 Apportionment. This was done, and the result was that considerably more money was received for those seven months than for the corresponding period of any previous year. However, contributions during the Lenten and Easter seasons fell far below those of previous years. It is hoped that unusually large contributions on the

Apportionments during the fall months will not only bring the total amounts up to those of other years, but if possible exceed them so that the work of the Boards may advance.

In view of the change in the Classical Year, the Executive Committee recommended that the spring meetings of the Classes be moved forward, so as to come early in the calendar year, and that the fall meetings be held in October, and that the Synods then arrange to hold their meetings in April and May.

At the Harrisburg Missionary and Stewardship Conference in September, 1929, it was voted that a Committee should make a preliminary study of the apportioning of the Budgets, taking into account "membership, the previous giving for benevolences and for congregational expenses, the amount of debt-free property and the moral ability by the Classis", and bring a table of Apportionments for each Classis to the 1930 Conference for adoption. The Committee consisted of the Chairmen of three Synodical and two Classical Committees, together with the Chairman of the Committee on Promotion and the Executive Secretary. The entire Apportionment system was thoroughly studied by the Committee and a somewhat new plan of dividing the Budgets was finally arrived at.

It was the judgment of the General Synod that there should be no overlapping of Synodical or Classical boundaries. All of the Synods now have Committees studying this subject, and the Executive Committee is co-operating with these Committees on Realignment with the end in view that there shall be no overlapping of boundaries.

In 1929 the Executive Committee arranged with the various Synods a certain schedule for their times of meeting. This was done in order that no two Synods should be in session at the same time. The Executive Committee has asked that each Synod notify the Executive Committee of the date of its meeting so that steps can be taken to avoid conflict of dates.

Denominational publicity has been one of the concerns of the Executive Committee. Several hundred newspapers received occasional articles on denominational activities. The Church papers are sent items almost every week and some thirty-five interdenominational publications receive articles from the Executive Committee oc-

casionaly. The file of biographical sketches, with photographs of the officers and others prominent in the Church, continues to grow slowly. This file proves most valuable and is in almost constant use as a source of fact material.

The subject of divorce is a very live one in many denominations. The General Synod instructed the Executive Committee to consider this growing evil. The Committee on Church Government is studying the question from the legal as well as from the ecclesiastical point of view.

The Executive Committee was designated by the General Synod as its "promotional agency." The Committee on Promotion has been carrying forward this work along several different lines. The Synodical and Classical Missionary and Stewardship Committees, made up entirely of volunteer workers, serve as field workers in promoting the missionary and benevolent work of our denomination. They, or their Chairmen, meet in conference each year at Harrisburg in September, at which time the Apportionments of the Budgets of the Boards are formally adopted. The Conference is then given over to a discussion of ways and means of advancing the missionary and benevolent work. At this time plans are made for the fall and winter. Suggestions for matters to come before the Classes at their fall meetings grow out of the Conference discussions.

During the past year an effort was made through the Every Member Canvass to secure a pledge from EVERY member of the Reformed Church. The Canvass was made for the first time in a large number of congregations. As a part of the Promotional work, the Executive Committee continues to publish "The Kingdom's Support" each month, giving in addition to the reports of the monthly payments on the Apportionments, timely articles on denominational topics, and a page of short notes suitable to be reprinted in local church calendars or bulletins. An Apportionment Poster to be used in the churches to record the amounts received on the Apportionments is prepared by the Executive Committee and sent at the beginning of the Classical year to every congregation. There are many other aspects of the Promotional work for which plans are being made. It is hoped that at least a beginning can be made this year in holding regional

or group conferences with Missions, Stewardship, Church Finance, and work for the men of the Church, as the themes for consideration.

Stewardship was kept somewhat in abeyance in the Reformed Church during the past year, in order not to lessen the emphasis on Pentecost and that Stewardship might come the more forcefully before the denomination in 1930-31. The 1930 Stewardship Essay and Poster Contest was successful, and was engaged in more widely throughout the Church than ever before. Requests for material for contestants came from forty-six Classes of all of the seven Synods.

A Questionnaire on the subject of Stewardship was sent to every minister of the Reformed Church and three-hundred and forty-nine filled-out Questionnaires were received from every Classis of the Church except two. A summary of the answers given to the various questions asked in this document gives a clear impression of the attitude of our ministers to Stewardship, as well as many constructive criticisms and helpful suggestions. It also forecasts greater things for Stewardship Year.

June 15, 1930, to June 15, 1931 is our Stewardship Year. The Reformed Church in observing this year is in line with the leading Protestant denominations who realize the importance of turning into channels of usefulness the streams of spiritual power latent in our Church and its members. It is the most sincere hope of our Executive Committee that Classes, congregations and individuals will not only become Stewardship-minded during this year, 1930-31, but that they will become Christian stewards for all the rest of their lives. The purpose of this Stewardship Year as stated by the Executive Committee's Committee on Stewardship is: (1) to challenge individuals, pastors, consistory members and other officials, men and women, boys and girls,—to the acceptance and practice of the principles of Christian Stewardship, and (2) to establish as large a number as possible of "Stewardship Churches." As defined by the General Synod, "a Stewardship Church is one which first, includes in its annual program systematic teaching of the Scriptural principles of Stewardship, and second, enrolls in a Fellowship of Stewardship those of its members who devote a definite proportion of income, ordinarily at least a tenth,

to extend the Kingdom of God." The suggested program which the Executive Committee has prepared includes every agency and institution of the Church in its scope. Pastors and public speakers will deliver sermons and addresses and lectures. Pageants and plays will be given. The Woman's Missionary Society, the Reformed Churchmen's League, Sunday School classes, Young People's Societies, members of the consistories, college and seminary students, and members of ministerial associations will study the subject of Stewardship, and will read Stewardship books. The Stewardship Essay and Poster Contest will be bigger than ever before and more vigorously promoted. Boards and other agencies have pledged their fullest co-operation. The principal agency upon which the carrying out of the Stewardship program in the denomination depends is the Congregational Missionary and Stewardship Committee. Every congregation which does not already have a Committee of this kind should appoint one at once, so as to be in a

position to become an integral part of the denominational Stewardship work. A large number of members enrolled in the Fellowship of Stewardship, an aggressive Missionary and Stewardship Committee as a permanent asset in every congregation, and every congregation living and working as a Stewardship Church, as the results of Stewardship Year in our denomination, will usher in a new day for the Reformed Church in the United States.

The Executive Committee has had very generous backing from the Church as a whole in its endeavor to fulfill its obligations. Its widest usefulness can only be achieved insofar as the Church gives it its confidence, relies upon and co-operates with it. On the other hand, the Executive Committee wishes at all times to be the faithful and efficient servant of the Church in advancing the work to which our great Reformed Church has dedicated itself. It pledges itself to continue to serve the Church to the best of its ability.

HOME MISSIONS

Amid the changing conditions of today the appeal of Home Missions has lost none of its compelling power. The program may have to be somewhat modified but the cause itself must not be allowed to be minimized. It is not possible at present to launch out upon new Home Mission enterprises but it is imperative that the work now in hand should be maintained and strengthened. In the midst of a materialistic civilization, spiritual values and forces must continually prevail or else the future of our country is dark and foreboding. If we allow the Church to lapse in its influence and prestige there is no hope for our civilization. From a national as well as from a spiritual standpoint, the Church must be maintained and her life fostered and promoted. The work of Home Missions relates itself primarily to this task. It seeks to expand the borders of Zion and to strengthen the weak places so that everywhere men, women and children may have opportunity to serve the Lord and enjoy the blessings of our religion.

The Board of Home Missions is caring for 290 Mission congregations, which are widely scattered in different sections of the Church. In that

many communities, these little Churches are generating spiritual life and exerting wholesome influence for good. In six different languages the Gospel is preached in these Mission congregations, viz: in English, German, Hungarian, Japanese, Czech and Indian. There are more than 250 ministers and other paid workers giving their full time to this work. There are 28,812 members identified with the Missions and the Sunday School enrollment numbers 29,769 more. The total value of their properties amounts to \$1,904,824. These Missions raised last year for congregational purposes \$406,905. and for benevolence \$79,814. Some of these Missions have a very high per capita record in their contributions, thus setting an admirable standard for the Church at large. From their membership have come some of the leaders of the Church and a goodly number of recruits for the ministry and for the foreign field. All this indicates the worthwhileness of this work and reveals the latent possibilities that are at hand.

The Board of Home Missions has an annual budget of \$517,400. Most of this money is applied to the support of the Missionaries under its care. About 11 percent must be appropriated

for the administration and promotion of the work. The money is supplied through the apportionment system, and by legacies, Church-building Funds and gifts of other kinds. The Woman's Missionary Society is rendering excellent help in the support of all the women workers of the Board and in the Church-building Funds which they contribute from time to time.

While the budget of the Board is about half a million dollars annually, the Church at large fails to provide this entire amount. It contributes only about 60 percent of the budget. This entails hardship to the Board and compels it to curtail its program materially. Failure on the part of the Church to pay the apportionment fully and promptly, obliges the Board to borrow money to carry on its work, so that during the past decade its debt has steadily mounted until it has reached the present sum of \$250,000. This is a serious handicap. It not only restrains the Board from launching out upon new enterprises, but it compels the Board to use too much money in the payment of interest, which money should be applied in the constructive work of the Board. If the importance of the work of Home Missions would grip the imagination of our congregations

and individuals of wealth, this incubus now resting upon the Board would be speedily lifted and the work itself greatly furthered.

There are many definite ways in which congregations and individuals might help.

1. Pay the apportionment in full.
2. Contribute Church-building Funds of \$500. or more, bearing a suitable name.
3. Remember the work of the Board in their wills and provide a substantial legacy for the same.
4. Establish annuities, which guarantee an income for life and enable the Board to use the money even while the annuitant is still living.
5. Arrange to pay the salary of one or more Missionaries and thus assume financial responsibility for a Mission station, or for a Department of the Board's work.

7. Erect a Church building for a Mission just as is often done at our educational institutions.

The many-sided work of the Board may be recognized by simply enumerating its different Departments. They are as follows:

Department of the East—Rev. James M. Mullan, D.D., Superintendent.

Department of the Central West—Rev. John C. Horning, D.D., Superintendent.

Department of the Northwest—Rev. Theodore P. Bolliger, D.D., Superintendent.

Department of the Pacific Coast—Rev. E. F. Evmeyer, Superintendent.

Department of Church Building—Rev. William F. DeLong, D.D., Superintendent.

Department of Evangelism—Rev. Rufus C. Zartman, D.D., Superintendent.

Department of Country Life and Department of Immigrant Groups—Under the direct supervision of the General Secretary.

Department of Missionary Education—Rev. A. V. Casselman, D.D., Director.

Commission of Social Service—Rev. James M. Mullan, D.D., Secretary.

The Indian Department—Under the supervision of a special Committee.

Catawba College and the Mission House—Under the direction of an Advisory Committee.

It will be observed that the range of this work includes many phases and factors and that it touches the life of the Church at many vital points. It therefore merits the fervent prayers and the full-hearted support of the entire Church. When it lags, the progress of the Church is necessarily impeded and when it prospers, the work of the whole Church is set forward.

FOREIGN MISSIONS

Obedience to the great command of our Lord Jesus Christ, "Go ye into all the world and preach the Gospel to every creature," is still the test of the loyalty of Christians to their Saviour. To be a true Christian a man must go out of himself. For him to live is Christ. He has a *mission* to perform in life. The Church must go out of itself and beyond its bounds. The nation must embrace in its thought and action the welfare of all the nations. Except we go out, not part of us, but our entire being, body, soul, and spirit, into all the world, we are not fulfilling the last wish of our risen and glorified Lord.

* * *

Great changes are going on among the teeming millions in the Far East. These changes are the signs of life, of hope, and of progress. They are the sure proofs that the leaven of Christianity is working in the hearts and lives of the people. The new ideals and aspirations, the turmoil and stress, the torture and suffering, all are the birthpangs of souls won for the Kingdom

of God. There is nothing more challenging to the faith of believers than the progress of the Gospel in the life of humanity. Dr. Cleland B. McAfee says: "A journey around the world leaves me uncertain whether achievements or needs are more impressive and challenging in the foreign missionary enterprise. It is much farther along than some people imagine; it is more beset with needs and problems than other people suppose. Some travellers are amazed, others are disappointed with what they find on the Mission Field."

* * *

Anyone who studies the needs and opportunities of all the Mission Fields, especially in the light of the revelations of the Jerusalem World Missionary Conference of 1928, must realize that the Christians of the world must unite in a noble adventure to win all men for Christ. We in America should press the advantage that has come to us with the sounding out of the Christian message at Jerusalem. This message has

given us a new sense of direction, how to draw men unto Jesus who died on the Cross for the sins of the world. It will well repay you to read and digest the eight volumes of that great world-wide Christian missionary gathering. Dr. John R. Mott believes that all the troubles that the Missions and Churches have been passing through are but the precursors of the greatest religious advance we have ever known. We have a great opportunity if we not only see it but seize it. One of the great needs now is to augment the present missionary forces, especially as regards the leadership. Their cry is—"We must have missionaries of the highest and best preparation and qualification. They must be men and women who *have experienced the divine call*. They must be willing to give themselves *unto the death*."

* * *

Candidates for foreign missionary service should be reasonably certain of a *call* from the Lord. They should regard an appointment by the Board as a life-service, unless Providence ordains otherwise. The qualifications for missionary service are in many respects the same as those which are required of an efficient worker for Christ in the home field. A full college course or its equivalent is essential, as is also sound health of body and mind. Candidates should be of high Christian character and culture, hold the essentials of the Faith, and give themselves wholly to Jesus Christ and His cause.

Two more churches in Japan have gone to self-support during the past year. They are the Kita Yobancho Church at Sendai, of which Rev. K. Kobayashi has been pastor for years, and the church at Sakata, Rev. T. Miura, pastor. Three new chapels have been built and four new outstations have been opened.

Dr. David B. Schneder reports that North Japan College has had a most successful year in spite of the severe economic depression in Japan. The enrollment of students totalled 941. The graduating class numbered 173, the largest in the history of the College.

The Board of Foreign Missions is assisting the needy churches of Europe by providing the salary of a travelling missionary in Yugo-Slavia and by contributing toward the support of Rev. David Schaible of Odessa, Russia. The Board has also contributed \$250 toward the Theological Seminary at Elberfeld, Germany, and \$500 for the maintenance of the Central Bureau for Eu-

ropean Relief with Dr. Adolf Keller of Geneva, Switzerland, in charge.

School work in China was resumed by the Zierner Memorial Girls' School, with 70 pupils, and the Shenchow Girls' School with 15 pupils. The Eastview Boys' School also opened its doors with an enrollment of 66. Huping Middle School continues with 45 students. Our Mission co-operates with Yale Senior Middle School and Fu Hsiang Girls' School at Changsha, and Wuhan Theological School and Central China College at Wuchang.

The cornerstone for the new North Japan College Chapel was laid with impressive ceremonies. This much-hoped-for building will be a memorial to the parents and grandparents of Miss Amelia E. Rahausser, who gave the munificent gift of \$50,000 to Dr. and Mrs. D. B. Schneder during their furlough.

The evangelistic work of our Mission in China is proceeding in the face of the political disturbances. According to the latest report there were 5 organized churches, 29 other places for meeting, 28 Chinese evangelists and Bible Women, 598 communicant members, and 15 Sunday Schools with 630 pupils.

Mrs. Hoy wrote from Lakeside, China: "We had a blessed Easter. Seventeen people were taken into the Church, among the number being three women all over sixty. It has been a wonderful victory for them to give up their old religion and join Christ's army."

One of the magic words at the Jerusalem Conference was the word "*sharing*." There should be a "*sharing*" of ideals, of the East and the West, between the younger and older churches, between different nationals. "We must share our money, our personalities, insight, experience, burdens, the deepest things of life as well as all those things that come from revelation from the divine source."

Don't forget these representatives across the seas. They are proclaiming Christ in the far-off places
and we must uphold them with our prayers and offerings.

BOARD OF CHRISTIAN EDUCATION

REV. HENRY I. STAHR, D.D.,
EXECUTIVE SECRETARY

LEADING EVENTS OF THE YEAR

The election of Rev. Dr. Henry I. Stahr, Hanover, Pa., as Executive Secretary of the Board.

Toward the celebration of the Pentecostal Year, the Board of Christian Education contributed four important pamphlets pointing out the educational opportunities involved in the event. The pamphlets were entitled:

The Four Educational Pentecostal Goals

1. The Holy Spirit and the People.
2. The Holy Spirit and the Power.
3. The Holy Spirit and the Plant.
4. The Holy Spirit and the Product.

The Board is co-operating in a practical way in the observance of Stewardship Year from June 8, 1930, to June 8, 1931. The educational opportunities of Christian Stewardship are being presented through the publications of the Board

and at the public gatherings and conferences participated in by the Board.

The completion of the organization of the Board's work is making steady progress.

THE DEPARTMENT OF LEADERSHIP TRAINING

The Executive Secretary, Dr. Henry I. Stahr, is assuming direct responsibility for this Department.

During the year there has been transferred to the Department of Leadership Training of the Board, the Student Work hitherto carried on by the Board of Home Missions. The further development of this interest, together with other phases of this Department's work, are being given careful consideration.

Worthy of special notice is the rapidly expanding work of leadership training and the high yet practical educational level upon which it is moving.

THE ADVISORY COUNCILS

Plans are under way looking toward the appointment of the Advisory Council of Missionary Education and the Advisory Council of the Higher Institutions of Learning.

The Advisory Council of Missionary Education offers an opportunity for all the educational agencies of the Church to share in planning a program of Missionary Education that will take care of the interests of all involved in this important field of work.

The Advisory Council of the Higher Institutions of Learning, provides the opportunities for facing together the problem of securing a leadership in religious education for the local Church.

THE DEPARTMENT OF HOME AND CHURCH Age Group Work

The reports of specific progress made in the various age group divisions of this Department of the Board's work are given further on in this article.

Field Promotion Work

One of the most difficult tasks facing Church Boards of Christian Education is how best to reach the local school with the fine help available.

Definite plans are in process looking toward making more direct contacts between the Board of Christian Education and the Synodical and Classical Committees on Christian Education, with the view to practical service to the local Church. Our plans presuppose recognition of the pre-eminence of the local school's own interests, needs and responsibilities. Intensive work of this character is now going on in several Synods, Classes and in local Churches.

Educational Materials and Tools

The creation of improved lesson courses and other source materials and supplies for the school as a whole and its various departments is being given most careful attention.

Church School and Departmental Standards, which represent the fruit of very wide experimentation with schools in operation throughout the land are now available for the various age group departments of the school, the Vacation Church School and Week-day Church School. These Standards can be secured at nominal cost from the Board of Christian Education, 1505 Race Street, Philadelphia, Pa.

Temperance Education

In co-operation with the Commission on Social Service the Board is making special efforts looking toward a very careful study of this problem by the Church with the view of challenging clear cut and consistent Christian conduct in reference to temperance.

The Toronto Convention of the International Council of Religious Education

In this Council, as is well known, our denomination together with 41 others co-operates in interdenominational work. The recent Convention placed an important landmark. The Synods will be interested to know the program adopted for the next quadrennium. It is as follows:

GOALS

1. To make religious education more truly Christian.
2. To make the needs of growing persons determinative of all our educational procedures.
3. To develop the spirit of world friendship and human brotherhood.
4. To Christianize the contacts and institutions of modern life.

STANDARDS

1. The promotion of ideals and standards through strengthening the field forces.
2. Advance in leadership training.
3. Recruiting disciples for Christ and the Church.
4. Expanding and enriching the program of the Church School.

The Convention fittingly commemorated the 150th Anniversary of the Sunday School Movement. A monument to Robert Raikes was unveiled in the Convention city.

Our denomination had a strong delegation of educational leaders at the Convention who shared in a large way in its creative work.

An interesting social event was arranged at the Toronto Convention at which over 100 representatives of the three denominations contemplating merger were present. Anyone looking in on that happy congenial group of people would

have been convinced that a real unity of spirit even now binds us together. A closer look into our separate educational programs and organization would have revealed both the practicability and necessity of strengthening our work through a consolidation of effort and means.

LEADERSHIP TRAINING

It may be interesting to review briefly the major fields in which the labors of the Director of Leadership Training in the local church have been spent during the past year.

1. Stimulating and guiding the development of local Church programs of leadership training.

Through personal visits, printed literature and correspondence it is our task to help pastors and other local leaders to give intelligent direction in the preparation of leaders who really lead. Both the inherent nature of the work of religious leadership and the rapid development of the modern movement of religious education make it imperative to secure teachers and officers of Church Schools with far vision and sure skill.

2. Providing adequate Summer School and Camp facilities.

There can no longer be any doubt of the need for these training agencies and of their effective contribution to the improvement both of the personal life and of the leadership ability of those

who share their program. The delegations of our churches are coming to be measured not by meagre dozens but by generous scores.

3. Teaching in Community Leadership Training Schools.

Whenever we find it possible, we co-operate with representatives of other denominations in the establishing and manning of community schools, upon which large numbers of our congregations depend for the training of their workers. During the past year we have taught in such schools at Alexandria and Philadelphia, Pennsylvania, at Silver Run, Maryland, and at New Glarus, Wisconsin.

4. Serving on the Committee of Leadership Training of the International Council of Religious Education.

It has been our privilege to work on various sub-committees of the International Leadership Training Committee, especially as chairman of the committee charged with the development of a new Reading Course to take the place of the old so-called one-year courses, such as Oliver, Hurlburt and Moninger. The International Reading Course, as it is called, is now available for Church School workers who are unable because of limited educational experience or other adequate reasons to study the courses of the Standard Leadership Curriculum.

5. Expanding our leadership training program to include Church School superintendents and the members of our Consistories.

In co-operation with Professor Nevin C. Harn-
er, of Lancaster, we have explored the possibility
of holding a three-day conference for elders, dea-
cons and superintendents for the purpose of re-
lating these officers more intimately with the edu-
cational enterprise of the Church and helping
them to perform their duties with more intelli-
gence and success.

*6. Giving due attention to the training of lead-
ers in our rural congregations.*

For some months in co-operation with Mr.
Ralph S. Adams and then alone, we have been
testing in some thirty typical rural fields what
we call "A Proposed Goal for the Rural Church".
This is designed to aid rural pastors in the ef-
fort to acquaint their people with the best mod-
ern educational procedures and to formulate a
workable, sound local program of church activi-
ties.

THE CHILDREN'S DIVISION AT WORK

So many new Church and school buildings
planning in a splendid way for the children un-
der twelve years of age, make this Division an
active and pleasant place to be.

During this year we spent much of our time
introducing the new Departmental Graded Cur-
riculum materials. Three years of planning by
specialists of seven denominations have given us
materials of which we may be proud. Yet we do
know the new pictures, the worship suggestions,
the helps found in the teaching procedure, will

be of no avail unless the teacher has learned
their value.

If we try to use these new materials in the
same way we have always used the Uniform
Lessons, we will be much disappointed with the
results. Is it asking too much, to request min-
isters and superintendents to read carefully
at least one quarter's lessons, both Teacher and
Pupil materials in the Junior Lessons and one
quarter's lessons in the Primary Department?
This material might be far superior to the
material you are using. After visiting a school
in a large city, they decided to put in this mate-
rial, they told with pleasure of its successful use,
then added, "What will you think of us when we
tell you we never knew the Reformed Church ad-
vocated anything but the Uniform lessons, we
never were satisfied but we wanted to be loyal".

It would be most helpful if you would discuss
this material at your workers' conferences, thus
all the teachers would learn the aims of each De-
partment and an objective for the total school
program could be agreed upon. Interpreting
this program material through our little paper,
"The Children's Division Guide", the Church Pa-

PLAYTIME IN VACATION SCHOOL

pers, in local schools, Institutes and Summer Schools, will receive a major portion of our time this year.

We hope also to stress work in the "Nursery Department". This is the old Cradle Roll Department under a new name and with an enlarged program. Cradles seem to be out of date and mean little to the mothers of today, hence the change in the term, the growth of the Nursery Schools in secular education no doubt helped us to determine on the accepted term. The Nursery Department will continue to enroll children at birth, using a wall chart for the enrollment, birthdays will be recognized and homes visited, carrying to the home helpful material on the care of babies as well as all the news of what the church is doing. A Mother's Circle should be organized and mothers will come together to discuss the part of the home in the religious education of the child. A Nursery Class convened the same time as the Church School, but using a course meeting the needs of the smallest children is now an important item in the enlarged program. The social needs of both mother and child will be provided for by the occasional party on special days.

This program should challenge some of the best women in our Churches. This Department is an important link binding the home to the Church. A portion of time must be given to the Vacation School. The Church has no better helper than the Vacation School. It is gaining in importance and value each year. A well conducted Vacation School will give added inspiration to your Church School for a whole year. Quoting from one letter, "We have had two years of Vacation School and our worship programs in the Junior Department always show who have attended the school, we seem to store up knowledge and energy enough to keep us running on Sunday through the whole year."

While the Director of Children's Work hopes to put in most of her time on these three items, we will do our share of work as a member of some committees of the International Council of Religious Education, in County and State conventions, in Denominational and Community Training Schools and in providing Children's Day Services, as well as programs for Missionary and Rally days in the Church School.

PROFESSOR LIMBERT, MRS. BALM AND
REFORMED CHURCH DELEGATES TO
THE CHRISTIAN YOUTH COUNCIL OF
NORTH AMERICA

THE WORK OF THE YOUNG PEOPLE'S DEPARTMENT

The past year has been marked by a number of interesting developments in young people's work both in our own Denomination and Inter-denominationally. About one thousand Reformed Church young people in local churches, colleges, and seminaries shared in selecting the goals for the young people's program beginning in the fall of 1930. These goals were the basis of the Christian Youth Council of North America held in Toronto in connection with the International Convention of Religious Education and four of our own young people represented the Church in this important Council.

The young people chosen were Anna Mary Hinkle, Lancaster, Pennsylvania, George Shults, Dayton, Ohio, Fred H. Wolters, Sheboygan, Wisconsin, and F. Judson Hoover, of Philadelphia, Pennsylvania. All of these young people distinguished themselves and won real recognition for our Church during the sessions of the Council. Since Mrs. Balm was teaching in the Young People's Work Section of the Convention she was represented on the YOUTH Council by Rev. Charles D. Spotts of Lancaster. Professor Paul M. Limbert served on the Council Faculty. The Council was a fine educational enterprise and the goals worked on by the young people are well worth the attention of our pastors in the coming years. Program suggestions were issued by

the Young People's Department in the fall of 1930.

Under the direction of Dr. E. G. Krampe our entire Northwest Synod has been splendidly organized for young people's work through Classical Young People's Leagues. These leagues have all rendered fine service and will be increasingly helpful to the young people and to the Church.

Mrs. Balm has been kept busy in field work embracing experimental work in local churches, community training schools, county, state and international conventions. In celebration of her tenth anniversary she was given enough extra vacation time during the summer of 1930 to make possible a visit to the Passion Play at Oberammergau, field work among the Reformed Church young people of Hungary and participation in the World's Christian Endeavor Convention in Berlin. She carried greetings from the Hungarian young people of the Reformed Church in the United States to the young people of Hungary. This visit to our European constituency was possible without any expense to the Board.

The Young People's Department continues to issue helpful materials for all phases of young people's work. Attention is called especially to the fine materials for Young People's Day now observed, by action of General Synod, in January instead of October as formerly. The new Young People's Discussion Topics correlated with the Departmental Graded Lessons are appearing on the Young People's Page of The Way.

Leaders of recreation will be especially interested in the new book prepared by our Director of Young People's Work entitled "Stunts of All Lands," a book of short plays and party programs wisely designed to foster better understanding between many countries.

YOUNG PEOPLE'S WORK IN THE SYNOD OF THE NORTHWEST

Our Director of Religious Education for Northwest Synod gives us the following glowing report:

During the past year there has been a remarkable activity regarding Young People's Work in certain sections of Northwest Synod, which promises to become a powerful agency in the development of the congregational life throughout

DRAMATIZATION GROUP AT KISKI CONFERENCE
(1930)

this Synod. The first impulse to this Young People's Movement was given in November, 1929, by a group of 22 young people from Reformed congregations, who were delegates at the Wisconsin Young People's Conference at Fond du Lac. This group "recognizing the need of deepening the spiritual life and strengthening the church loyalty of the young people of the Reformed churches within the territory of our Synod" resolved to take the initial steps in an effort "to effect a larger organization, committed to organized effort among the young people of our Synod to meet this need."

The Executive Committee elected by this group, after taking counsel with the members of their Classical Committees on Young People's Work and with the Synodical Director of Religious Education, made arrangements for sectional or group conferences, four in Milwaukee Classis and four in Sheboygan Classis. Under the slogan "Fellowship in the furtherance of the Gospel" the invitations to take part in these conferences, set forth the following objectives:—(a) The bringing of our young people into closer touch with one another and thus encouraging them in their striving to follow the Master; (b) Furnishing opportunities for experiencing deeper consecration to the cause of Christ, and thus assisting them to recognize and accept their responsibility respecting it; (c) Promoting opportunities for "fellowship in the furtherance of the Gospel" and thus training our young people to work for the larger causes of Christ's Kingdom.

These sectional conferences were held as planned, in Milwaukee, Reeseville, Madison, West

Bend, Sheboygan, New Holstein, Appleton and Neillsville, Wisconsin. The programs for these conferences were planned and prepared by the committee with greatest care, and this no doubt had much to do with making the conferences so successful. Though necessarily the programs varied in details, there was complete uniformity of purpose. At each conference provision was made for periods of worship, discussions, business and recreational fellowship; and each closed with an inspiring Consecration service at which the Synodical Director delivered the address. The discussions of the various age groups were held under the leadership of the members of the Synodical Board and Classical Committees on Education and Young People's Work. Subjects discussed were such as "The Christian's position toward Christ and the Church", "Keeping young people faithful to Christ", "Public and Private Worship", "Youth's part in the work and service of the Church", "Stewardship", "Our Objectives" and similar subjects. Each group submitted its "Findings" regarding the subjects which it discussed. These findings are to form the basis of the discussions at the final conference.

The response to the committee's invitation to

participate in this movement surpassed all expectations. There were present 990 registered delegates, representing 47 charges; and in addition to these there were also present a large number who did not register. The "Findings" of the different groups revealed a deep interest in things spiritual, and a remarkable understanding and earnestness on the part of many of these young people. Each sectional conference passed resolutions favoring the carrying out of the suggestions of the committee, and elected representatives to act as voting delegates at a Conference of Young People in connection with the missionary conference at the Mission House, at which the proposed organization will be completed.

There can be no question as to this movement meriting the most serious notice on the part of this Synod. Indeed, it is in itself a very definite challenge to the Synod, which should be most joyfully accepted. We firmly believe that it is "not by chance" that this movement has taken place in this Pentecostal Year, just when we are remembering that "this promise is unto you *and unto your children.*" May it continue to move forward under the guidance and in the power of the Holy Spirit.

Twenty-fifth Anniversary

During 1930 our Church celebrated the *Twenty-fifth Anniversary of our Board of Ministerial Relief*. The General Synod established our Board at its meeting in Allentown, Pa., in May, 1905. The four main reasons for the creation of our Board were: 1. To provide support for every aged and disabled minister and widow of a minister of our Church, which up to 1905 was done only for some. 2. To provide more adequate support for our veteran ministers and their widows than the average of \$62 a year, given as late as 1905 to 66 annuitants. 3. To endeavor to consolidate all Ministerial Relief work in our Church. 4. To raise a permanent fund, later computed at \$2,000,000. Our Board has fulfilled all of these objectives except the last, which it hopes to fulfill soon.

Twenty-five Years of Service

Our Board of Ministerial Relief has *twenty-five years of enviable service* back of it. It has been a father and a real friend to our veteran ministers and their widows. It has provided food, shelter, fuel, and clothing for them. The Big Brother Board has filled many homes of our veteran ministers with joy, has dispelled their clouds of care with the golden sunshine of com-

fort, and has brightened the evening of life for them. The assurance of care for life, is the source of a blessed hope for many of our active ministers, and an inspiration to labor on in the midst of many hardships. Surely our Master says, "Well done, good and faithful servants."

Twenty-five Years of Progress

Our Board during the twenty-five years of its work, multiplied the annuitants of the Relief Department and their annuities; increased the receipts from the Apportionment; secured all the members of the Sustentation Fund and every dollar of money that was put into it; established Memorial Funds and Annuity Bonds; managed its finances in a successful and business-like manner; steered clear of all debts and reduced its overhead expenses to a minimum; published and distributed much literature; secured the co-operation of many laymen in the work of Ministerial Relief; effected the union of all Ministerial Relief agencies; and handled thousands of dollars.

Twenty-five Years of Achievement

Let us make a few comparisons by which to measure the achievements of our Board during the last quarter of a century. In 1905 there were 66 Relief annuitants, and in 1930 there were 270. In 1905 the total Relief annuities were \$4,065, and in 1930 they were \$75,145. In 1905 the total cash receipts for Relief were \$17,-

128.30, and in 1929 they were \$70,702.24 from the Apportionment alone. Of course there was no Sustentation Fund in 1905, but today there are 838 active members in the Fund and 70 annuitants. In 1905 the total Ministerial Relief assets were \$73,547.88, and today they are more than a million dollars. By these comparisons we see that *our Board has done remarkable work during the last twenty-five years.*

Our Sustentation Fund

The total number of ministers enrolled in our Sustentation Fund, since its beginning in 1917, is 986; of whom 60 have died, 18 are disabled, 3 received seventy-year pensions, 32 have left our church, and 35 have withdrawn from the Fund. Thus there are 838 active members today. The annuitants are: 20 ministers, who receive \$3,442.25; 48 widows, who receive \$4,590.32; and 2 orphans, who receive \$110.74. The annuities are 49% of their maximum, because our Church has completed the Fund only 49%. The grand total needed to complete the Fund is about \$2,000,000. Of this amount \$671,540 was raised through the Forward Movement and other means, which left \$1,328,550 to be raised through the Campaign. Of the \$1,328,550 to be raised through the Campaign, \$370,000 in round numbers has been paid into the treasury of your Board, which leaves \$958,550 still to be raised by our Church to complete the Fund. Over one thousand one hundred congregations are taking part and contributing to the Fund. One hundred congregations have paid their quotas of \$5 per member in full. We feel confident that the Fund will be completed soon.

Our Relief Department

When our Board started its work in 1905 there were 26 annuitants in the entire Church, all of whom were Relief annuitants. Since 1905 the Relief annuitants have increased year by year. During 1929 our Board cared for a total of 253 annuitants in the Relief Department, of whom 87 were ministers and 166 widows, to whom it gave a total of \$73,595. Every congregation should strive to raise as much as possible of its Ministerial Relief Apportionment, for all the annuitants of the Relief Department are supported mainly by the receipts from the Apportionment. Our Board uses every cent received

from the Apportionment for our veteran ministers and their widows in the Relief Department. It uses no Church contributions to pay overhead expenses.

Our Board's Finances

The total receipts of our Board of Ministerial Relief during its first year of work, 1905, were \$215.81, the total overhead \$6.05, and the one annuity paid to Rev. L. D. Baus \$45. Since 1905 the receipts, the annuities paid, the invested funds, and the finances in general have grown and expanded year by year. Today the finances of our Board are in their usual excellent condition. All accounts are very carefully kept, item by item, checked up and balanced each month, and are always open for inspection. The total overhead expenses of all the departments of our Board average about \$12,000 a year. This is a comparatively low average. Moreover, not one dollar for overhead is taken from the contributions of our Church members. And of course our Board has no debts. The investments of our Board are of the highest character. They are gilt-edged and as good as those of any bank or trust company.

Our Church's Loving Care

Twenty-five years ago the great majority of our Church members were not interested in Ministerial Relief, because they knew little about it. Our Board, therefore, conducted a vigorous campaign of Ministerial Relief education. Because our pastors and people now realize the need, the justice, and the blessing of Ministerial Relief, and the wonderful provision other denominations are making for their veteran ministers, our Church is deeply interested in the most worthy cause of Ministerial Relief and our people are contributing hundreds of dollars toward the more adequate care of our veteran ministers, their widows, and minor orphan children. Since our pastors and people understand Ministerial Relief they are caring lovingly for our veterans of the Cross. Everyone now favors this Holy Cause. Moreover, our Church people have full confidence in our Board, because of the splendid work it is doing. Ministerial Relief today is one of the most popular causes in the Reformed Church.

THE SUMMER MISSIONARY CONFERENCES

THE MORNING WATCH AT BETHANY PARK

If there ever was a time when intelligent, well-informed and constructive thinking on the missionary activity of the Church was needed, it is now. This is as true of the home field as it is of the foreign field. The whole missionary activity of the Church, both at home and abroad, is being subjected these days to the most thoroughgoing examination and criticism. The Church must give a reason for her existence today and justify her program. The Church of America is being challenged to show the results of her efforts in the life of the nation. The Church abroad is being challenged concerning the efficiency of her program to meet the needs of rapidly changing world conditions. To welcome this examination, to answer this criticism, and to meet these challenges requires missionary information and intelligence greater than is possessed by the average member of the Christian Church. To provide this information and this intelligence is the purpose of the Summer Missionary Conferences.

Under the auspices of the Department of Mis-

sionary Education, Rev. A. V. Casselman, D.D., Secretary, the following Conferences were held last year: Frederick, Md., at Hood College; Brooklyn, Ind., at Bethany Park; Salisbury, N. C., at Catawba College; Saltsburg, Pa., at Kiskiminetas Academy; Tiffin, Ohio, at Heidelberg College; Collegeville, Pa., at Ursinus College; Lancaster, Pa., at Theological Seminary; Plymouth, Wis., at Mission House; Buffalo, N. Y., at Zion Church.

It was feared that the financial depression of the past year would result in diminished attendance at the 1930 Conferences; but these fears proved to be unfounded. For the most part, the attendance at the Conferences of 1930 was larger than the previous year, many of the Conferences registering the largest number of delegates in their history. The total attendance at the Conferences was between three and four thousand, over half of whom were regularly accredited delegates from congregations, attending the classes of the conferences. It is a matter of significant importance that the great majority of these dele-

gates were young people. Through the influence of these young people the congregations of the Reformed Church ought to be richer in world-wide experience and more thoroughly prepared to meet and solve present-day problems both at home and abroad.

Such hearty testimonials from delegates as the following are significant:

"The Conference helps one to decide to make

the best of his own life by linking it up with the Program of the Kingdom of God as it is worked out by the Church."

"A most delightful Conference in every regard—rich in the revelation of the Spirit of Jesus Christ working in the hearts and lives of our missionaries and leaders, and in the presentation of the challenge to the young people to live likewise."

MR. CARL S. SIPPLE

THE WOMAN'S MISSIONARY SOCIETY OF GENERAL SYNOD

GIRLS' DORMITORY, INDIAN SCHOOL, NEILLSVILLE, WIS.
(This Building also houses the office, infirmary, laundry and additional store-rooms)

The meeting of the Cabinet of the Woman's Missionary Society of General Synod, June 10th to 13th, 1930, marked the entry of the organization into the 43rd year of its history. Being in the decade leading to the 50th anniversary has the effect of turning attention backward and forward. By the time definite preparations for the observance of this historic event will be well under way, public sentiment toward an appreciation of its significance will have been stimulated by Jubilee anniversaries in Pittsburgh Synodical Society and in several Classical societies. The fact that we are approaching that milestone makes us ask *What of the Work?*

Once each year, whether in the Triennial Meeting of the Woman's Missionary Society or in the annual meeting of the Cabinet, officers and departmental secretaries meet to take stock of spiritual and material progress. Reports of the year ending April 30, 1930, show that the past year has been financially the best in our history, with total receipts of \$150,799. In point of membership, 1927 was the banner year. Since then, membership has decreased by 717, leaving a membership of 23,401. During this same period the membership of the Girls' Missionary Guild has increased and now numbers 6,025. More than 8,000 children are in Mission Bands.

The extensive program for 1930-1931, adopted

at the recent Cabinet meeting, suggests the certainty of a spirit of co-operation among the women, the girls and the children. Building upon the missionary experience of 43 years, the following program has been undertaken for the 44th. For Miyagi College, Sendai, Japan, \$11,324, with an additional amount of \$10,000 for the chapel auditorium fund. Evangelistic work in Japan, \$3,372, Kindergarten work, \$5,762 with an additional \$5,000 for a Kindergarten building in Morioka, Japan. Schools in Mesopotamia \$3,968 with evangelistic, educational and medical work in China \$12,624 of which \$1,950 is given to Ginling College.

Recognizing the necessity of "Keeping God in American History" the Woman's Missionary Society pays \$13,000 as salaries to American and Hungarian deaconesses who assist missionaries in home mission areas. For Japanese work on the Pacific Coast \$4,200, for the Indian School at Neillsville, Wisconsin, \$9,120, for the maintenance of Bethel Reformed Community Center in a congested district of South Philadelphia, \$6,305. The missions in Madison, Wisconsin; Pleasant Valley, Ohio; and Cedar Rapids, Iowa, will receive Gift Church Building Funds in the respective amounts of \$1,000, \$5,000 and \$500. In addition to the above, liberal grants were made to Christian Literature in Foreign Lands, Migrant

Work and other co-operative enterprises. The total of the above is nearly \$100,000.

In a definite way the Cabinet recognized that its program was a segment from the entire missionary program of the denomination; that members of the Woman's Missionary Society must work as consistently to raise the Apportionment as they do to raise the money to meet the financial obligations involved in their own program.

During the last ten years the expansion of our work on the foreign field necessitated an extensive building program. As a matter of record it may be interesting to note the number of building projects financed by the W. M. S. between 1920 and 1930. On the Miyagi College Campus the following: Recitation Hall "Vornholt Memorial", \$35,000; Home for Misses Lindsey and Hansen, \$12,000; Wurfel residence for faculty, \$9,000; Heating Plant \$11,500; Kindergarten and Woman's Building in the city of Sendai, \$20,538. In Tokyo a residence, costing \$3,000, was built for Miss Catharine Pifer; the lot for \$8,000 purchased on which to erect a church for the congregation she has gathered during her many years of labor in the Ikibukuro district of Tokyo; a Sunday School Building, \$1,200. In Shi-roiski, Japan, the Hoy Memorial Chapel and Parsonage was erected at a cost of \$7,704.

In the city of Shenchow, China, the two buildings erected were for the Girls' School and the Esther Shuey Snyder Memorial Bible Woman's School, costing \$18,000 and \$8,000. At Yochow the Bible Woman's School Building was erected at a cost of \$10,000, and a Day School Building, \$1,000.

During this period, the building projects on the home mission field were: Japanese Community House, San Francisco, \$46,550; purchase of building for Bethel Reformed Community Center, Philadelphia, \$10,785; Zartman Hall, Catawba College, \$46,205; Girls' Dormitory, Indian School, Neillsville, Wisconsin, \$56,000; toward

Schaff Building, Philadelphia, \$12,000; toward Missionary Retreat, Tiffin, Ohio, \$22,928; toward Missionary Home, Lancaster, Pa., \$15,394; Special Church Building Funds, \$31,237. Moneys have been gathered for the following buildings not yet erected: Thank Offering Hospital, Yochow, \$48,759; Kindergarten Building, Yochow, \$5,000; toward Chapel auditorium, Miyagi College, \$20,767.... The total contributions for buildings during the past ten years, \$460,567.

Interest from the following investments provides literature; necessary training for missionaries home on furlough; educational advantages for young women who prepare for definite missionary service:—Permanent Fund, Life Members and Members in Memoriam, \$42,157; Scholarship Funds—General, \$6,000; Elvira Yockey, \$6,000; Eunice Smith (Potomac Synodical) \$5,336; Pittsburgh Synodical \$6,000.

An intensive educational program is carried through carefully prepared suggestions for monthly programs in local Woman's Missionary Societies, Girls' Missionary Guilds, and Mission Bands with special mission study classes in the two first named organizations; through a Reading Course in which last year diplomas were awarded to 143 readers who had attained at least 50 units on the prescribed course. In strategic centers, in early autumn, a representative from Woman's Missionary Society of General Synod and a missionary carry the educational ideals for the year into nearly every portion of the Church through the Missionary Educational Institutes. Missionary Conferences are used to train leaders.

The large number of volunteers in local, Classical and Synodical Societies look upon time as a possession to be used for the extension of Christ's Kingdom. Were it not for these, to whom the President, Mrs. Lewis L. Anewalt, and the other officers and Secretaries of the General Society are examples, the extensive program could not be carried with the limited corps of five salaried secretaries.

Can You Pray This—from the Heart?

One thing I of my Lord desire,
Tho all my path hath miry been;
Be it by water or by fire,
Oh make me clean, oh make me clean!

So wash me Thou, without, within,
Or purge with fire, if that must be,
No matter how, if only sin
Die out in me, die out in me!

OUR ORPHANS' HOMES

BETHANY ORPHANS' HOME, WOMELSDORF, PA.

Rev. Henry E. Gebhard, Superintendent

REV. HENRY E. GEBHARD,
THE NEW SUPERINTENDENT
AT BETHANY

The past year was one of sorrow for the Bethany family. The Superintendent, Rev. C. Harry Kehm, died after an illness of three months, on December 17, 1929. The angel of death again visited the Home on Easter Sunday, April 20, and claimed one of its children, the first to be buried in the Bethany lot since Nov. 11, 1922. Scarcely had the Bethany family recovered from these shocks when their much beloved member of the Board of Managers, John N. Lawfer, of Allentown, Pa., passed on to his reward, having given his time and interest to Bethany for a period of 24 years.

At the April meeting of the Board of Managers the Rev. Henry E. Gebhard was elected Superintendent and took charge of the Home on May 2. Rev. Gebhard was a successor to the Rev. Wilson F. More, D.D., at Catasauqua as well as a successor to that great servant of the Reformed Church in the Superintendency of Bethany Orphans' Home.

We notice that the average age of the Bethany children is younger than last year, which naturally involves the question of greater oversight and attention. A hearty welcome is extended to all friends of Bethany to visit and see the children as they live under the care of the Church.

FORT WAYNE ORPHANS' HOME, FORT WAYNE, IND.

Rev. J. F. Tapy, Superintendent

The Ft. Wayne Orphans' Home, located at Ft. Wayne, Ind., is the property of four Synods—Ohio, Northwest, Mid-West, and German Synod of the East. These four Synods unite in our support. Orphan children from Reformed families are received at any age up to thirteen years and in special cases even after the thirteenth birthday. Children are kept until they are 18 years of age when suitable employment is sought for them or they are given over to near relatives.

The boys receive some training in agriculture and dairying, while the girls are taught general house work. High school training is furnished for all who want it, and a fine start in music is given to those who have talent along this line. When in Ft. Wayne, look us over. You will find us two miles northeast of the Court House on Lake Ave.

During the 47 years of existence of the Fort Wayne Orphans' Home, many children have been

given a start in life and many others nursed to young manhood and womanhood. Many of these love to look back upon her history and call her blessed. At times the number in the family has exceeded the present number of 101; the average, however, has been about 100 children. This group is about evenly divided as to boys and girls, and the youngest member of the family, at the present time, is 11 weeks old.

The Home has had a good year. We have enjoyed good health, have had plenty to eat and to wear, and have shared many of the pleasures and amusements of life. About the saddest feature of the year's experience has been the financial losses we have sustained through the paying of attorney fees, inheritance tax, and court costs, in cases of bequests made to the Home, payable after death. In several cases we did not receive half the amount originally bequeathed to us, and what the donors really wished the Home to have.

This experience has led us to stress the annuity method of making bequests.

As a matter of benevolent economy, therefore, we are appealing to the friends of the Ft. Wayne Orphans' Home to investigate and consider well our annuity plan of investing money. Under this plan the Orphans' Home is sure to receive what her friends wish her to have, and the donor receives an income on the investment throughout natural life. Full particulars will be gladly furnished if you will address Superintendent J. F. Tapy, Box 45, Ft. Wayne, Ind.

We acknowledge with gratitude the splendid co-operation of the Churches of the four Synods and the loyal response from many individuals. Should financial conditions continue to grow worse we trust that those who can do so, will continue their liberal support and we shall try to live as economically as we can with comfort.

GEO. W. AND AGNES HOFFMAN ORPHANAGE, LITTLESTOWN, PA.

Rev. A. P. Frantz, B.D., Superintendent

72 boys and girls were cared for during the past year. 25 boys and girls were admitted in the past two years and many more had to be refused because there was "no room."

Our children come from Southern Pennsylva-

nia, Maryland, Virginia and West Virginia, and are in charge of Christian leaders who give personal and paternal care and consideration for each child.

Many improvements have been made for the welfare of our children.

We have a Boys' Band of 31 members and a Girls' Chromonica Band of 14 members.

Our children are given regular psychiatric examinations by the Department of Welfare of the State of Pennsylvania.

Each child has a definite, daily work assigned according to his or her physical and mental ability.

Religious instruction is regularly given to all the children.

Our school building is being enlarged with funds furnished by the Maryland and Baltimore-Washington Classes.

We are in great need of a larger income to support, house and educate the fatherless, motherless and homeless children committed to this Orphanage.

CHILDREN RECEIVED IN TWO YEARS

HOFFMAN

NAZARETH ORPHANS' HOME, ROCKWELL, N. C.

Rev. W. H. McNairy, Superintendent

We are grateful to our Heavenly Father for the many blessings of the past year and to our friends for helping us to provide for the support and training of these forty-five boys and girls we now have in Nazareth Home. One girl and four boys have gone out from the Home this year. It has been quite a task to secure positions for these young people. One of our boys

who graduated at the Rockwell High School last spring entered Catawba College in September to study for the ministry. The health of the children has been very good during the past year, for which we are thankful.

We have been without a pastor for some time, but we are thankful that Rev. Lee O. Carbaugh is now with us. He is a great help in the religious training of the children.

These hard times are affecting our income. We have not been able to complete the addition to the boys' building for the lack of funds. This year we have harvested the best wheat crop that has ever been raised upon this farm. Our crop averaged a little over thirty bushels to the acre. We will have bread for another year. Our vegetables have been cut short, however, by the hot,

dry weather. Potomac Synod, while meeting in Salisbury, in September, paid a visit to the Home.

For the support and interest of our friends we are truly thankful. My helpers and I crave a greater interest in your prayers. We not only need your financial support, but we need your sympathy and prayers.

ST. PAUL'S ORPHANS' AND OLD FOLKS' HOME, GREENVILLE, PA.

Rev. A. M. Keifer, D.D., Superintendent

St. Paul's Orphans' Home was founded in 1867. Since that time 1354 children have enjoyed its blessings. A large majority of these are now in the prime and vigor of manhood and womanhood. The writer is in touch with many of these, especially with those who have gone out from the Home during the past 21 years. They write him letters and sometimes come back to visit the scenes of their childhood. Often they bring their children with them. Occasionally when difficulties confront them they come back for counsel, advice and help. In fact the work of the Orphans' Home is not only to feed, clothe, and educate unfortunate children, but also to guide and direct them into the Christian way of living.

St. Paul's Old Folks' Home was opened June 1, 1927. Since that time 10 old people have been under its care. Three of them have gone to their eternal reward, and seven are still with us enjoying the best care we are able to give. There are quite a few of the faithful old people of the Church asking for admission. May the time soon come when a suitable building can be erected and more people given the care which they need in their last years on earth.

For further information write to Rev. A. M. Keifer, D.D., Greenville, Pa.

A GUEST IN OLD FOLKS' HOME ST. PAUL'S

STOP! LOOK! LISTEN!

Have you remembered the cause of Christ in your will? If not, why not? Do you not owe Him something? Many of our Reformed Church people have been greatly blessed. The Lord has granted them health and strength and enabled them to accumulate a generous portion of this world's goods. How are they going to dispose of it? Too many, alas, forget the source of all

their wealth. The Boards, agencies and institutions of the Reformed Church are in need of your gifts. If it is possible, why not write your name among the benefactors who shall be gratefully remembered among the succeeding generations? Even better that bequests are the outright gifts or interest-bearing annuities given now to meet the urgent situations and support noble causes.

**THE HOME FOR THE AGED OF THE REFORMED CHURCH,
UPPER SANDUSKY, OHIO**

Chas. P. Troup, Superintendent
Mrs. Metta Swihart Troup, Matron

The Home for the Aged of the Reformed Church, located at Upper Sandusky, Ohio, is supported by the three western Synods of our Church, namely, Ohio, Mid-West and Northwest. It is managed by a Board of Trustees, consisting of two members elected by each of the supporting Synods, and a secretary-treasurer, elected by the Board. The support is derived from a small apportionment levied by the Synods, and from voluntary gifts contributed by congregations, organizations, and individuals. Many congregations are making it the custom to lift a special offering on Mother's Day for the support of this Home. Just as far as possible, the entrance fees are used to reduce the indebtedness. A few legacies have been received during the past few years.

The Home has four buildings, the original large brick residence, with cottage annex. The new kitchen and dining room, and central heating plant were completed in July, 1929. The buildings provide adequate facilities for thirty-five

residents. The lawn is spacious, well kept and adorned with many shrubs and flowers. A large garden provides most of the vegetables needed for table use.

A fact that deserves special mention is the splendid health that has been enjoyed by the residents of this Home during the past few years. They have entirely escaped the seasonal epidemics. This testifies to the splendid care given to the residents. A competent physician visits the Home twice each week and at such times as necessity demands.

The business affairs of the Home and the needs of the residents are all carefully looked after by Mr. and Mrs. Chas. P. Troup, Superintendent and Matron.

While a number of new residents have entered this institution during the past year, there are still a few rooms available for such as may desire to enter such a home.

Since the erection of the two new units two

years ago, there is a debt resting upon the institution. First mortgage ten year gold bonds, bearing $4\frac{1}{2}\%$ interest were issued to finance the building operations. These bonds are regarded as gilt-edged investments. Some of these are still unsold. Any one interested in a safe investment and at the same time desiring to help a

worthy cause should correspond with the treasurer, Mr. Troy A. Dahn, 216 Hathaway St., Toledo, Ohio.

The supporting Synods are to be complimented for the promoting of such a deserving Christian Ministry and for the very splendid response they have made to the needs of the Home.

THE BERGER MEMORIAL HOME FOR THE AGED

Rev. Charles B. Alspach, D.D., Superintendent

Because of unexpected delays connected with the completion of our buildings we were not able to open our Home to our guests until Wednesday, October 16, 1929. On the first day we received eight guests; at the present writing we have 21 which is our capacity for the summer months. We have been compelled to refuse admission to about this same number. We have tried to select the most needy and dependent ones from among those who have applied.

The dedication of our Home took place on Saturday, October 19, 1929. The services up to the dedication proper were held in the Calvary Presbyterian Church; the dedication took place with the audience assembled on the porch and lawn of the Home. It was our pleasure to have with us

on this happy occasion Mr. and Mrs. Wm. H. Berger, the generous donors of our beautiful Home.

The Classis of Philadelphia, under whose auspices the Home is being conducted, at its annual meeting in 1929 authorized the Board to conduct a campaign within its bounds in the Fall of that year for the sum of \$50,000. to cover the cost of getting the buildings in readiness for occupancy and to provide maintenance for two years. This drive resulted in securing cash and pledges to the amount of \$51,420, with eight congregations yet to report. The Board rejoices in the cheerful and liberal way in which the people responded to this call for financial assistance in this work of love and mercy.

The Board at a recent meeting felt that the price of admission should be increased; accordingly a flat rate of \$800, was made for all those who seek admission into our Home.

The admission fees and the surplus of our guests are all set aside for the endowment fund. We pay four per cent interest on all surplus funds of the guests. We now have more than \$12,000. in our Endowment Fund.

We recently sold our first annuity bond. We trust that this will invite others to assist us in this way.

On June 17, 1930, our Board became an incorporated body. The Charter now hangs in the office of the Home.

Our need is the first unit of our new building for which plans have been drawn and approved by the Board. These plans were shown in the booklet circulated in connection with the first anniversary of our dedication on October 18. We know of no more worthy charity than this and the need is very great and urgent. We should provide a Home for the worthy and dependent aged people of the Church.

FAIRVIEW PARK HOSPITAL, CLEVELAND, OHIO

Rev. Philip Vollmer, Jr., Superintendent

A CLASS OF NURSES, 1930, FAIRVIEW PARK HOSPITAL

NURSING

Modern Courses at Fairview Park Hospital,
Cleveland, Ohio

Fairview Park Hospital, the only Reformed hospital in the country, was founded by Reformed ministers and laymen in 1892 and is still owned and operated by a society, all of whose voting members are selected from the Reformed Churches of Cleveland. Because of this back-

ground the Church atmosphere in both school and hospital has been naturally and easily maintained. The Christian influence of the deaconess group, which up to 1907 provided all the nursing done in the hospital, contributed a vital emphasis to the religious character of the institution, so that today, when in many quarters there is grave danger of narrowing nursing down to a mere scientific profession, Fairview stands out as one of a group of denominational hospitals in which the

teaching of nursing is conscientiously and aggressively tied up with the teaching of Christian ideals.

Such an alliance between the Christian life and the art of healing is most natural in the light of the importance today assigned to the social interpretation of the Gospel. This partnership, too, lies implicit on every page of the history of nursing, for hospitalization and nursing are inevitable results of the application of the teaching of Christ and His Church to the everyday lives of men and women. The first hospitals and the first nursing of our era were expressions of Christian thought and piety, Christian generosity and heroism. From the earliest days down to the present the temples of religion, and the priests who served in them, were closely associated with the arts of healing. What happened in the religious life of the world before Christ, was repeated. In addition to the organization of missionary work and poor relief, the early Christian church built institutions for the sick, and found deaconesses, as those early nurses called themselves, to carry on the nursing in these institutions. As early as 370 A.D., barely 60 years after the faith had won recognition and the persecutions were ended, a large Christian hospital was built at Caesarea, followed in a few years by two important Christian hospitals built by St. Chrysostom in Constantinople, and served by deaconesses. Out of the modern revival of this early Christian deaconess work, a revival which began in 1836 under Pastor Fliedner of Kaiserswerth, Germany, was born the present-day school of nursing. The journal of Pastor Fliedner's first wife, Friedericka, was the first modern work on nurses' training. It was at Kaiserswerth that Florence Nightingale, who really founded the profession of nursing as we know it today, drew so much of her inspiration.

The modern nurse has added science to religion in the care of the sick. Miss Nightingale's nurses, who, to quote her own words, too often were prone to "soothe souls, while they leave bodies dirty and neglected," have disappeared. Today nursing is the profession that engages the mind as well as the heart and soul. This high tradition, in which we are going forward, is admirably summed up in the words of the Florence Nightingale Pledge:

"I solemnly pledge myself before God and in the presence of this assembly to pass my life in purity and to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug. I will do all in my power to elevate the standard of my profession, and I will hold in confidence all personal matters committed to my keeping, and all family affairs coming to my knowledge in the practice of my calling. With loyalty will I endeavor to aid the physician in his work and devote myself to the welfare of those committed to my care."

Our hospital took care of 2830 patients last year for a total of 28,011 patient days, which represents an occupancy of 80% for our 96 beds. Ten percent of this work was free work. In addition, the free dispensary had 5656 visits, or 271 visits more than the previous year's total, which up to that time was our record. Our maternity department, which is headed by one of Cleveland's leading obstetricians, cared for 382 mothers to whom 367 babies were born. The School of Nursing at present enrolls 55 students. In addition, 10 applicants for admission on Sept. 15th have thus far been accepted.

Our operating cost for the year was \$156,202.02.

For details regarding the courses in the School of Nursing please address (Rev.) Philip Vollmer, Jr., 3305 Franklin Ave., Cleveland, Ohio. Classes enter March and September 15th each year.

We are ready at all times to hospitalize, without cost to the patient, the worthy poor. Gifts to support this work are solicited.

PHOEBE HOME, ALLENTOWN, PA.

Rev. F. H. Moyer, Superintendent

Phoebe Home is Eastern Synod's Home for the aged and infirm.

The present capacity of the Home is thirty guests. During this year a central building doubling the capacity is to be erected.

The Home is largely supported by a growing endowment fund, annuities, the Women's Auxiliaries and donations on Mother's Day. Eastern Synod pays the interest on the debt.

The Campaign pledges of \$160,000 will be devoted to clearing the property from all debts and the erection of an additional building. With the capacity doubled the costs will double. Will the additional support required be supplied?

Many people are including the Home in their wills because they feel their gifts will continue on their mission of mercy after they have passed on. All bequests, unless otherwise specified are preserved in the endowment fund.

Because of its limited capacity only the oldest and most needy could be admitted thus far. With enlarged facilities many who have long waited can be admitted.

Almost every congregation has someone look-

ing towards admittance. Is it asking too much that support be provided by every congregation?

If this charity appeals to you are you willing to become a corporation member at \$5 a year or a regular member at \$1 a year to be paid through your Church treasurer on Mother's Day?

PHILADELPHIA SCHOOL FOR
CHRISTIAN WORKERS

The Philadelphia School for Christian Workers, at 1122-24-26 Spruce Street, Philadelphia, Pa., has, since its foundation in 1907, been rendering unselfish service to the Presbyterian and Reformed Churches, with which it is affiliated.

The School is a college of Christian Religious Education, requiring graduation from the high school for admission to the first-year class. The curriculum provides for the training of directors of religious education, deaconesses, and pastors' assistants. Diplomas of graduation are awarded those that complete the three-year and two-year courses. The degree of Bachelor of Religious Education is conferred upon such graduates of the three-year course as entered the School after completing two years of college training.

The Bible is the center of the curriculum. The courses in religious education provide training in the history, organization, administration, and functions of the Church school, and the methods needed for effective teaching of the Christian religion. A cultural background is provided. The curriculum is steadily being enriched. Advanced

courses for college graduates, as well as correspondence courses for those that for any reason cannot enroll as resident students, have been added.

Two hundred graduates and undergraduates are at work in twenty-seven states and foreign countries. The demands for trained lay workers far exceed the present supply. With its graduates placed, and its present student body also rendering such service as is possible for young people in process of training, the School is living up to the limit of its opportunity. It seeks, however, to enlarge its usefulness. To that end it appeals to the Church both for students and for funds.

The School pledges the Church the highest standards of excellence in scholarship and character. If the Church will provide the School with the money needed for carrying on its enlarging program, the School will provide the Church with a college of Christian Religious Education second to none. And if the Church will send its young people to the School for training in the principles, ideals, methods, and practice of Christian Religious Education, the School will send them back to the Church prepared to add their youthful zeal and developed Christian powers to the other forces of consecrated Christian leadership already at work.

Will you not carry the School in your heart, in your prayers, and in your budget? Write today for a copy of the catalog.

The Teacher

He sent men out to preach the living Word,

Aflame with all the ardor of his fire;

They spoke the Truth, wherever truth was heard

But back to him they brought their hearts'-
desire;

They turned to him through all the lengthening
days

With each perplexity of life or creed,

His deep reward, not that they spoke his praise,

But that they brought to him their human need.

AWAKE—OR ASLEEP

"Professing Christians who do not have a Church paper in their home are 'asleep at the switch.'" So says one of our most successful religious leaders. And is he not right? Parents are missing a golden opportunity when they fail to encourage, both by precept and example, the reading of the publications of the Church, which alone can keep them properly informed both

about the things their Church is doing, and the greater things the Church ought to do. Is five cents a week too much to pay for a church paper in your home? Not for those who are spiritually awake; they consider it indispensable. When Protestants truly awake to the situation, the Church paper will be a welcome visitor to every family—and it will be read!

OBITUARIES

INCLUDING AVAILABLE PORTRAITS AND BIOGRAPHICAL SKETCHES

BAUM, REV. CHRISTIAN, D.D., born in Germany, was called to his reward on Aug. 16, 1930, at the age of 86 years, 4 months and 23 days. He came to the United States at the age of 19, landing in Baltimore. He graduated from the College at Tiffin and for over 56 years served in the ministry. He filled pastorates at the following places: Jeffersonville, Ind.; Pottsville, Pa.; Wheatland, Iowa; Fort Wayne, Ind.; Chicago, Ill.; Lima, O.; Detroit, Mich.; Port Hope, Mich.; Bay City, Mich.; Nashville, Tenn.; Winnipeg, Can.; and Wolseley, Sask., Can. For 10 years he was pastor at Lima, O., to which city he returned upon retiring from the active ministry. His wife died about 11 years ago. Their union was blessed with 6 children, 5 of whom have died. In 1924 he was married to Mrs. Minnie Heinemann, of Winnipeg, Can., who survives. He is also survived by one son, by his first marriage, 8 grandchildren and one great-grandchild. Services were held in the Church at Lima, O.

BEAM, REV. SAMUEL ZWINGLI, D.D., born at Langanore Mill, near Frederick, Md., died on Nov. 11, 1929, at the age of 92 years, 6 months and 3 days. At the age of 14 he clerked in a store, at 18 he taught school, at 19 he entered Heidelberg College, graduating in 1860, and was therefore, for some years prior to his death, its oldest living alumnus. At the outbreak of the Civil War he was a student of theology, but enlisted for 3 years and 3 months, being honorably discharged from military service after receiving a wound at Mechanicsburg Gap, Va., losing the greater part of his left hand. He re-entered Heidelberg Theological Seminary, graduating in 1862. His first charge was at Ida, Mich., where he confirmed and later married Miss Frances E. Rauch, who survives. A long, happy and greatly blessed married life followed; and in May, 1929, the aged couple celebrated their 65th wedding anniversary. He served charges in Michigan, Pennsylvania and Ohio. With the opening of his pastorate in Apple Creek, O., in 1903, his health broke, compelling him to relinquish further pastoral labors. However, for 21 years thereafter he was the efficient stated clerk of Ohio Synod. He was often honored by his Church: 5 times he was president of Classis; once president of Pittsburgh Synod and once of Ohio Synod; the stated clerk of Eastern Ohio Classis; 4 times delegate to the General Synod; a member of the Board of Visitors of the Theological Seminary at Lancaster, Pa. The degree of Doctor of Divinity was conferred upon him by Wittenberg College in 1888. He was the author of many articles and poems. The richest contribution which Dr. and Mrs. Beam made to the Kingdom of God, and at the same time the most rewarding to them, was their splendid family of ministers, missionaries and teachers: Rev. Henry L. Beam, D.D., Prof. of English Bible and Registrar, Heidelberg College; Mrs. Anna M. Adair, who died May, 1929, the wife of the sainted Rev. E. M. Adair, Ph.D.; J. Albert Beam, M.D., missionary to China, now professor of Biology and Geology, Cumberland University, Lebanon, Tenn.; Rev. George T. N. Beam, pastor of St. Paul's Church, Bellevue, O.; Miss Mary H. Beam, principal of the College Hill School, Tiffin. The funeral service was held Nov. 13 in Trinity Church, Tiffin, O.

BOWMAN, REV. JOHN CALVIN, D.D., son of John and Elizabeth (Nicklas) Bowman, was born in Chambersburg, Pa., Aug. 15, 1849. He was the victim of an automobile accident and died on Sept. 11, 1930, at the age of 81 years. He graduated from Franklin and Marshall College in 1871, a member of the Phi Kappa Psi fraternity. He completed his course in the Theological Seminary, Lancaster, Pa., in 1875. His first Charge was in Shepherdstown, W. Va., where he served until 1882, when he was called to the pastorate of Emmanuel Church, Hanover, Pa., where he remained until 1890. He was chosen to the chair of New Testament Exegesis, at the Theological Seminary, in October, 1890. He resigned his professorship Sept. 22, 1904. Before leaving the Seminary he was elected by Pittsburgh Synod to the chair of Practical Theology, holding this position until his retirement from active service in September, 1920. He served as President of the Seminary from 1906 to 1920. While he was professor in the Seminary he led a new building project; grounds were purchased; the Main Building, including Santee Hall, and the Library, were erected in the period from 1893-94. In 1915 he began a movement for the building of a dormitory, a refectory, and the enlargement of the Library, which project was completed in 1917. He retired at the age of 70 and was given the title of Professor-Emeritus of Practical Theology by the 3 Synods. He was a world-wide traveler and always proved himself to be an interesting writer. A courteous and gracious Christian gentleman, Dr. Bowman ranked among the outstanding sons of the Church in his generation. He was married to Miss Amelia Davis, of Boonsboro, Md., on Jan. 8, 1878. The children were Margaret, Mary, Elizabeth, J. Davis and William Boone. Services were held in Santee Hall, Sept. 15, and interment was made in Boonsboro, Md., by the side of his wife, on the following day.

DELANEY, REV. WILSON F., born in Omagh County, Tyrone, Ireland, in 1855, died in New York City, March 28, 1930. The death of his parents left him an orphan at an early age. As a young man he served as keeper of the Omagh Asylum. At the age of 21 he married Miss Margaret Moore, and the young couple immigrated to America. Soon after his arrival, Mr. Delaney became acquainted with John Wanamaker and affiliated himself with the Wanamaker store and Bethany Presbyterian Church. After 10 years of service in the store he entered Ursinus College and graduated from the Ursinus School of Theology in 1888. During his business and school days, he did mission work in the section of South Philadelphia then known as Ram Cat. He was one of the co-founders of Bethel, now St. Andrew's Reformed Church, Philadelphia, Pa., and continued as the pastor for 11 years. After leaving this Church he went to New York, where he held various positions but always continued to do mission work. In the fall of 1916 he became superintendent of what is now called the DeLaney Mission. He is survived by his widow and the following children: William R., George W., Mrs. Letitia S. Kard, Mrs. Margaret Alexander and Mrs. Helen M. Goodfellow. A funeral service was conducted April 1, and a memorial service, April 11, in the Second Presbyterian Church, New York.

Rev. William Albert Gonser

Rev. Henry J. F. Gramm

Prof. Frank Grether, D.D., LL.D.

A funeral service was conducted at the home of his son-in-law in Glenolden, April 2.

EWING, REV. EMERSON DEWITT, son of Rev. Charles E. and Emma Ewing, was born at Tiffin, O., Dec. 5, 1893, and died in Mt. Carmel Hospital, Columbus, O., Aug. 7, 1930, from injuries received in an automobile accident that occurred at Washington C. H., O., Aug. 4. In 1915 he graduated from Heidelberg College, Tiffin, and from the Central Theological Seminary, Dayton, O., in 1918. He accepted a call from the Farmersville, O., Charge, where he served for 3 years and 8 months. He then became pastor of the Church in Delaware, O., until November, 1929, when he assumed the pastorate of the Church at Lancaster, O., at which place he was serving at the time of his tragic death. On June 25, 1918, he was united in marriage to Miss Florence Chenot, of Tiffin, who survives with 2 children, Meredith Lois and Robert Charles. His mother also survives to mourn his death. At one time he served as president of Central Ohio Classis. During the time in Delaware he pursued courses of religious education in Ohio Wesleyan University, in addition to his pastoral duties. Funeral services were held in Grace Church, Lancaster, Aug. 9. Interment was made at Tiffin, O.

GONSER, REV. WILLIAM ALBERT, the son of William and Mary (Asire) Gonser, was born in Holmes County, Ohio, May 23, 1855, and died on Jan. 31, 1930, at the age of 74 years, 8 months, and 8 days. He was a graduate of the Normal School at Valparaiso, Ind., Heidelberg College and the Theological Seminary at Tiffin, O. He received a call to a pastorate at West Salem, O., in 1881, which he served for 7 years. He then served the following charges: Robertsville Church, East Canton, O., 3½ years; Myerstown, Pa., Church, 5½ years; Grace Church, Mt. Carmel, Pa., 32 years. On retiring from the Mt. Carmel field, where his work proved to be the outstanding achievement of his life, he was still anxious to preach and was assigned as supply of Hope congregation, Excelsior, Pa., and of Faith Chapel, Ranshaw, nearby. He was in the active service nearly 49 years, and a member of East Susquehanna Classis for 33 years. He was married twice. His first wife was Miss Susie Uhl, of Millersburg, O. From this union 3 children were born: Noble P., Ethel, and Mrs. William Reidinger. The mother of these children died during the pastorate at Myerstown. Shortly after his removal to Mt. Carmel, Mr. Gonser married Miss Elizabeth C. Lehman, of Myerstown. From this marriage, one daughter, Mrs. Maurice A. Raymond, survives. Following the brief funeral services held at his late home on Feb. 5, further services were held in Grace Church, Kulpmont. The body was taken to Millersburg, O., where interment was made.

GRAMM, REV. HENRY J. F., born in Cleve, Germany, Jan. 5, 1849, the son of Karl P. Gramm, died Sept. 10, 1930, after a long illness, at the age of 81 years, 8 months and 5 days. He was born in the famous "Swan-Castle," where his father was head overseer for the King. He learned the carpenter trade and became foreman, and later, owner, of a large contracting firm at Coln on the Rhein. He was much interested in Young Men's Work, organizing many such societies, and some of the first Sunday Schools in Germany. These were independent of the State Church, but they grew so rapidly that they

received recognition and he was about to be appointed District Superintendent of these Schools when he accepted the challenge for young men to come to America to study for the ministry, preparation being offered in Calvin College, Cleveland, O., where he spent 2 years, graduating in 1888. He graduated from Heidelberg Seminary in 1889. He was installed as pastor of the Monroeville Charge, and within 3 years built 2 Churches in Monroeville and Willard. In 1892 he accepted a call to Sandusky, O. The Home Mission Board called him to the pastorate of Memorial Church, Toledo, O., and in 7½ years he built up a strong congregation. In 1907 he accepted a call from St. John's Church, Egg Harbor City, N. J., where he spent 15 years as pastor, retiring 8 years ago. He was a progressive minister and greatly interested in music. He is survived by his widow, Rosa; one daughter, Eva H., and one son, Rev. Carl H., pastor at New Brunswick, N. J. Services were held Sept. 13 from his late residence and interment was made in the Egg Harbor cemetery.

GRETHER, PROF. FRANK, D.D., LL.D., the eldest child of Rev. Michael and Salome (Harter) Grether, was born at Akron, O., April 10, 1856, and passed away on May 18, 1930. He was one of 6 sons who all studied for the ministry. He studied in Calvin College, Cleveland; Mt. Union College, Alliance, O.; and the Mission House Theological Seminary. He served for 8 years in the Town Rhine Charge and organized a congregation in Greenbush. Besides his pastoral duties he was a part-time teacher in the Mission House, starting in 1876 while he was still a student. He was appointed in 1878 as a "helper" and in the '80's he became a full-fledged member of the faculty. He spent the year 1886 as a traveling missionary in the Dakotas. The Mission House recalled him in 1887, making him Professor of English Language and Literature. Twenty years later the Mission House Board called him to the Professorship of Biblical Interpretation. After serving in this chair for 20 years he was made Professor Emeritus, under the 70 year limitation rule. Yet up to a few weeks before his death he continued to impart instruction in some of the college branches—filling out a teaching career at this institution of 53 years. In 1893, Heidelberg College, as also Franklin and Marshall College, conferred on him the deserved title, Doctor of Divinity. To this honor his Alma Mater added the degree of Doctor of Laws in 1926. In 1880 he was married to Miss Caroline Wilhelmina Schaferkott, who survives him with 4 children, Prof. Alvin Grether, Mrs. H. G. Settlage, Louise Grether, and Mrs. Cordelia Tullar. Funeral services were held in Immanuel Church, near the Mission House. Interment was in the congregation's cemetery.

GROSSMANN, REV. JOHANNES, was born at Leipzig, Germany, January 29, 1874. After graduating from the Public Schools, he pursued studies at Koenigsfeld and Niske to fit himself for missionary work in Labrador. Here he labored under painful privations for three years. In 1905 he went to Canada. Under the guidance of Reformed ministers he studied theology for the space of one year, especially, to familiarize himself with the teachings of our Church. October 21, 1906, he was ordained by the Manitoba Classis to the holy ministry, and served the congregations at Arcola, Irvin, and Pheasant

Forks. In the course of time, he came to the United States, and ministered in the Dakotas to charges at Medina, Heil, Wimbledon, Lincoln Valley, Artas, and Herrick. In serving the often very much scattered congregations of some of these charges, he had to endure great hardships. In December, 1906, he was married to Mathilda Dahl; this union was blessed with four children. One died in infancy; the others, with their mother, mourn the death of the father. He died at Delmont, South Dakota, November 13th, 1929, from a paralytic stroke. As the church is rather small, the burial services were conducted in the City Hall; almost all of South Dakota's ministers participated.

HARTMAN, REV. JOHN H., the son of Peter and Wilhelmina (Fetzer) Hartman, was born in Germany, Sept. 9, 1848. He died Sept. 2, 1930, at his home in Hanover, Pa., after a short illness. He was actively engaged in the ministry for 46 years, having been ordained in March, 1874. He was a graduate of Palatinate College and of Heidelberg College and Seminary. He began his ministry in Trinity Church, Tamaqua, Pa., remaining there 6 years. After serving in Zion Church, Lehigh-ton, Pa., for 4 years and 3 months, he accepted a call to Leschey's Charge in April, 1884. This Charge was later divided and he became pastor of the West Manheim Charge, serving until 10 years ago, when he retired from the active ministry. He was directly instrumental in securing 7 young men for the ministry, among whom are 3 sons, and he also indirectly influenced 5 other men to take up the work. He built 3 new Churches, finished the Church at Lehigh-ton, Pa., and cleared the debt during his ministry there and also built the present West Manheim parsonage. He was teacher of the Men's Bible Class at Emmanuel Church, Hanover, Pa., until a few years ago, when he resigned because of his health. He was married to Miss Mary Ann Berger, Alliance, O., who survives with 4 sons, Revs. J. E., Charles R., and Oliver S., and Claude H.; 2 daughters, Mrs. Wilhelmina E. Dietz, and Miss Mary C. Hartman; one brother, Henry Hartman, 14 grandchildren and 4 great-grandchildren. The body lay in state in Emmanuel Church, Hanover, Pa., Sept. 4, and services were held at 2 P.M. Interment was made in Mt. Olivet cemetery.

HASSLER, REV. EDGAR SCHAFF, the son of Rev. Jacob and Matilda (Stenger) Hassler, born at Mercersburg, Pa., Sept. 25, 1856, passed away suddenly Nov. 15, 1929, the cause of his death being angina pectoris. His age was 73 years, 1 month and 20 days. He was graduated from Marshall College at Mercersburg and from the Theological Seminary at Lancaster, Pa. It was in this congregation that his qualities of leadership with young people became recognized, which eventually won him the position for which he was so peculiarly qualified and to which he so unsparingly gave himself. Early in the year 1926, the Board of Trustees of Bethany Orphans' Home called him to become the assistant superintendent of the Home, while Mrs. Kehm was elected matron. From then on until Sept. 28, 1929, when he became ill, he lived and labored for Bethany. In the spring of 1927, upon the retirement of the superintendent, Dr. W. F. More, he was elected superintendent. He became "like a father" to the children of this institution and his passing left their hearts heavy. He is survived by his widow, Matilda (nee Cressman); 3 children, Harry, Catherine, and Paul; and 4 sisters. The funeral services were held in Bethany Chapel Dec. 19. He resigned Nov. 1, 1899, and entered the College of Medicine, Iowa State University. After spending a year at the University, he abandoned his medical studies for a business career, which he followed for 16 years, when he yielded to the urge to return to the ministry, and became pastor of the Church at Abilene, Kansas, in the fall of 1916. He then accepted a call to the Oley Charge, which he served faithfully for over 44 years, retiring in 1928. He was a historian of note, and was a frequent contributor to history. Three years later he entered the Mission House at Plymouth, Wis., and graduated from the seminary in 1877. His first charge was Medina, Wis.; while pastor here he reorganized a defunct congregation at Fremont, Wis., and united it with his charge. At his instance a number of his townsmen from Germany came to Wausau and Stratford, Wis. These he served from Medina and organized them into congregations. In 1892 he went to McIntosh County, North Dakota, into a charge consisting of six small congregations. Within a year he had organized six more; to date five self-sustaining charges have developed out of this field. From 1904 to 1908 he served as "housefather" of the Mission House, then returned to the Medina-Fremont Charge for five years, then went to Ashley, N. Dak. He graduated from the Seminary on June 26, 1884, but even earlier he had accepted the challenge to become the assistant to Rev. Jacob Hauser, then missionary among the Winnebago Indians at Black River Falls, Wis. A special dispensation was made by the Board, allowing him to enter upon his chosen life-work before graduation. In 1885, upon the resignation of Rev. Mr. Hauser, he assumed full charge of the mission and continued therein until his death, a period of 46 years. Besides his many duties at the Indian Mission, he also served the Immanuel congregation of Black River Falls, as pastor all these years. On Jan. 12, 1886, he was joined in holy wedlock with Marie Reineck. To this union 4 children were born. In 1894 his wife was taken from him by death. He was again married, to a sister of his first wife, Johanna; this union was blessed with 6 children. She, too, was summoned by the Lord after less than 9 years, leaving him desolate with the youngest child scarcely more than 2 months old. On Oct. 6, 1904, he was married to Wilhelmina Engelmann, who now survives him after 25 years of wedded life. There survive, his widow and 8 children: Dr. J. Calvin, Benjamin, Rev. Frank E., Mrs. Lydia Bopp, Mrs. Marie Grether, Jacob, Jr., Johanna, R.N., and Henry. Voorhees, and Miss Jannie G. Van Horne. Services were conducted April 16, in Amsterdam, N. Y.

VITZ, REV. JACOB OTTO, son of Rev. Peter Vitz and Anna Mary (Jacob) Vitz, was born Nov. 27, 1859, in Preble Township, Adams County, near Decatur, Ind., and departed this life July 20, 1930, after having been an invalid for nearly 9 years. In his 17th year he went to the Mission House, Wisconsin, to prepare for the ministry. He was ordained in 1882. He accepted a call to the Newville Charge, near Bluffton, Ind., and 6 years later went to St. Paul, Minn., to serve the mission there. From there he went to Louisville, Ky., and to First Church, Cincinnati. His last pastorate was at St. Paul's Church, Covington, Ky. In May, 1885, he was married to Miss Amalia Legler, of St. Cloud, Minn. He is survived by his widow and the following children: Prof. Hugo Vitz, Mrs. Antoinette Miller, Mrs. Stella Wade, Victor, Elsie, Melitz, and Alvin. He had a fine talent for music; he played 4 instruments, was a master on the piano and the organ, and composed a number of melodies. The funeral service was held in Immanuel's Church, St. Bernard, Cincinnati, and interment was made in Oak Hill cemetery, near Glendale, Cincinnati.

WALENTA, REV. WENZEL, D.D., born in 1856 in Bohemia, near Karlsbad, passed away April 11, 1930, after 2 weeks illness. At the age of 17 he sailed to America, coming to Voglesville, Pa., where he came in contact with Rev. Dr. Helfrich, who saw the ability in the young man and began to give him private instruction. In 1877 he was sent to the Mission House Seminary and graduated 2 years later. His first charge was at Newton, Wis., where he served 4 years. He accepted a charge in Philadelphia, and, at the same time, also taught German in Ursinus College. In 1887 he accepted a call from Emanuel's Church in Brooklyn, and in the course of his service there he also established a mission in Richmond Hill. In 1923 the congregations merged and a

beautiful Church was erected in Woodhaven, N. Y. In 1900 he received his A.M. from Ursinus College and in 1928 he received his D.D. from Mission House College. He leaves a widow and 5 children to mourn his departure. Of his 7 children, 4 entered the ministry. He is survived by the following children: Rev. Max J., Rev. Paul, Rev. Victor, Calvin, a lawyer; and Mrs. Louis Schneider. He lay in state in the Emanuel Church from Palm Sunday afternoon onward to Monday afternoon, after which he was laid to rest in the Mount Olivet cemetery.

WAUGAMAN, REV. SIMON URIAH, the 8th son of Hezekiah and Catherine (Lauffer) Waugaman, born near Harrison City, Westmoreland County, Pa., Feb. 5, 1861, passed from this life while undergoing treatment in the Allegheny General Hospital, at Pittsburgh, Pa., Dec. 16, 1929. He graduated from Franklin and Marshall College in 1889 and from the Theological Seminary, Lancaster, in 1892. His active service in the ministry covers a period of 37½ years in the following fields of labor: Greenfield, Pa., 1892-1903; Curlsville, Pa., 1903-05; Youngwood, Pa., 1905-09; Export, Pa., 1909-15; Scottsdale, Pa., 1915-18; Yukon-Seanors, Pa., 1918-26; and the St. Clairsville Charge, 1926, to the time of his death. On June 16, 1892, he was united in marriage to Miss Emma Highberger, who, together with their 3 sons, John Nevin, Simon Hezekiah and Stanley Merle, and 2 brothers, George and William, survive to mourn his home-going. The funeral services of this faithful and brotherly servant of the Church were held Dec. 19, in the historic Brush Creek Church, located near the scenes of his boyhood. The body was laid to rest in the Brush Creek cemetery.

WELKER, REV. HENRY J., born near Red Hill in Montgomery County, Nov. 29, 1850, passed away March 4, 1930, at his home in Myerstown, Pa. He attended the schools of Upper Hanover township and later entered Frederick Institute and Washington Hall College, both of which have since ceased to exist. He engaged in teaching school for a period and then prepared for college at Mt. Pleasant Seminary. He graduated from Ursinus College in 1876. During his course in college he taught minor subjects and excelled in penmanship. He designed the

original from which all Ursinus College diplomas have since been engraved. Following his ordination he took up his first charge in Springfield. Soon thereafter he married Miss Mary Troth, of Philadelphia, Pa. After serving his first charge for 7 years, he was called to the pastorate of Trinity (Tulpehocken) Church, 3 miles east of Myerstown. Assuming charge of 5 Churches over a wide area, with a membership of more than 1,500, he was destined to prosecute his ministry for a period of 37 years. He was instrumental in founding and building Grace Church, Avon, and Grace Church, Richland; Trinity was his masterpiece. At the close of his ministry he retired to a quiet home in Myerstown. He is survived by his widow and 2 children, Mrs. Lester L. Ulrich, and Warren C. His body was placed on view in the Myerstown Church, the morning of March 8. At 2 P.M. the services were held and interment was made in Tulpehocken cemetery.

WOLFF, REV. DAVID U., D.D., the son of Rev. and Mrs. George Wolff, D.D., was born Sept. 2, 1856, in McEwensville, Northumberland County, and passed away at the family home, near Myerstown, Pa., Oct. 29, 1929. His education was received in Palatinate College, Ursinus College and Yale Divinity School. He graduated from Ursinus College in 1876. He was honored by his Alma Mater with the degree of Doctor of Divinity. Upon the completion of his education, he became the assistant of his father when he served not only the Myerstown Church but also Womelsdorf, Mt. Aetna, Rehrersburg and Host Churches. He became the pastor of New Oxford Charge in 1880 and remained until 1886, when he returned to his home to care for his parents, both of whom were in declining health. His father died in Myerstown in 1888, and after the death of his mother, he took up the pastorate of Boehm's Memorial Church, Blue Bell, in 1892 and remained until 1905 when his own health and business responsibilities demanded his return to Myerstown. He was married twice, to twin sisters, Mary Alice and Elizabeth S. Bahney. To his first marriage were born Mable P., and Dr. George B., deceased. To the second marriage Paul R. was born. In addition to his widow and 2 children he is survived by a sister. Funeral services were held Nov. 1 from his home.

FOOD FOR MIND AND HEART

Those who have been readers of the Church paper for years do not need to be convinced of its power for good. In many thousands of homes it has proved itself a real blessing. If we are to maintain a Church in which educational religion and religious education are not simply theories, but actual facts, we must have a *reading people*—families who are intelligently informed with regard to the activities and the needs of Christ's Kingdom. The *Reformed Church Messenger* (\$2.50), our oldest Church paper, is edited by Rev. Dr. Paul S. Leinbach, with the Rev. A. S. Bromer, D.D., as Associate Editor. The *Christian*

World (\$2.25) is edited by the Rev. Dr. H. S. Gekeler. The *Kirchenzeitung* (\$2.50), our German paper, is edited by the Rev. Dr. Carl F. Heyl. The *Outlook of Missions* is published monthly, price \$1.00, and the *International Journal of Religious Education*, monthly, costs \$2.00. Remember that a truly Reformed Church must be an *informed Church*. Too many homes are now without Christian literature. One of the greatest services you can render to Protestantism is to inspire a love of good reading in the hearts and minds of the people. And the only genuine statesmanship is to begin with the children in the home.

NEGLECTING THE RULERS OF TOMORROW

"We spend so much time in gathering property, and so little time on those to whom we intend to leave it." This wise word from Socrates the Sage may well be associated with the solemn command from Jesus the Saviour: "*Feed My lambs!*" If a congregation gives 90 per cent of its time, thought and energy to adults, whose habits of life are largely fixed and often most

difficult to change, and only a paltry 10 per cent to children, who are plastic and teachable and who will rule the coming generation for weal or woe, are we obedient to the law of Christ or the rule of common sense? We cannot very well admonish parents for neglecting their boys and girls if the Church does not set a better example. How about *your* congregation?

LIFE ANNUITY BONDS

If you are living on your income and will in all likelihood never have to spend the principal, why not make a perfectly safe investment at a fair rate of interest by taking a Life Annuity Bond? You will receive the interest as long as you live and the Board will have the use of the money at once.

Write to the Secretary of the Board you are interested in. He will explain the plan to you.

The Karl Barth Theology

OR

The New Transcendentalism

BY

ALVIN SYLVESTER ZERBE, Ph.D., D.D.
Professor Emeritus, Central Theological
Seminary, Dayton, Ohio

A source-book, containing the cream of thirty volumes of Barthian literature.

PART I

PROLEGOMENA TO BARTHIANISM

Barth's view-point, method, organizing principle. A philosophic rather than a theological movement. Its world-wide scope. The Barthian school. **Three** short chapters.

PART II

BARTHIAN DUALISMS

The qualitative difference between God and man, eternity and time; God unknown and unknowable, unbridgeable chasm between God and man, the Bible a fallible word of man and yet the infallible Word of God, God revealed in Christ and yet hidden and unrevealed, faith as emptiness (*Hohlraum*) and insolence (*Hybris*), the Church founded by Christ, but today the Synagogue of Satan. A cosmic-eschatological dualism through and through. No thought, thing, or act in time counts, not even praise or prayer. Hence no history, not even Biblical history. So-called Old Testament and New Testament history full of myths, legends, errors and contradictions. It matters not; only the transcendental, the unrecordable counts. **Nine** chapters.

PART III

BARTHIAN TRANSCENDENTALISM

A **New Supernaturalism**, or rather a New **TRANSCENDENTALISM**, combined with a **COSMIC-ESCHATOLOGICAL** dualism (Part II). In Barthianism God is absolutely "transcendent with no trace of immanence" (G. WEHRUNG). A double foreordination (supralapsarianism) to salvation or condemnation is taught, as also "unfreedom" of the will ("*laesst sich durchaus hoeren und vertreten*"). Hence a supertemporal, superrational, transcendental world (*Das Irrationale, Der Irrationalismus*), the only real world, the present world (*eon*) being transitory and unreal. Hence also a realm of truth and reality not fathomable by the finite mind (men discover only **fragments** of truth, not truth itself, which, as eternal, cannot be reached by man), but a realm revealed partly in the *Sensus communis*, and the indefinable intuitions and postulates of the mind, but more adequately in Scripture and preëminently in Jesus Christ.

The author reaches the conclusion, that, though containing much of value, **Barthianism**, far from reconciling fundamentalism and modernism, has **widened the breach**. **Three** chapters.

FOR THE FAMILY ALTAR

Prayer is a privilege, a delightful communion, but it is also a stewardship. Faithfulness on the part of the church in this stewardship will result in the coming of the Kingdom of God with power.

The devotional and prayer literature of the church will prove a most helpful incentive and guide in establishing the Family Altar as well as the habit of devotion on part of the individual.

To help forward this great purpose of establishing the Family Altar in a larger number of homes the Central Publishing House is prepared to send, postpaid, a returnable selection for exhibition and sample purposes, a Family Altar of all the Prayer and Devotional Books published by them and a few selected books of other Publishers for display purposes.

Decoration enhances the Harlem Reformed Church ~ ~ ~

THE Decoration and Illumination of the Harlem Reformed Church is typical of the modern trend in Church Interior Decoration. The simple wall treatments accentuate the richly decorated and polychromed ceilings, all in keeping with the best Gothic tradition. A series of shields depicting the historic sources which form the basis for the present seal of the

Reformed Church are worked into the vaulted ceiling of the Chapel. The lighting of both Church and Chapel is so laid out that the congregation receives a soft, well diffused, glare-free light of a delicate amber tone.

Rambusch will help you solve your Church Decorating and Lighting problems. A representative will gladly call without obligation on your part.

How to Use the System

Begin by presenting every scholar with the No. 0 celluloid pin. For every term of three months' un-interrupted attendance the pupil earns a reward. For the first term the No. 1 pin; for the second the No. 2 pin; for the third the No. 3x pin; for the fourth the No. 6 pin. Thirteen consecutive Sundays may be considered as three months. Pupils absent without a satisfactory excuse lose the interrupted term, but may begin a new term the next Sunday they attend, continuing to wear the pin already earned.

Each pin obtained is to be worn until the next higher grade is earned, but surrendered upon receiving the new one. The No. 6 solid gold pin is presented outright, and with it a handsome litho-graphed certificate, 9 x 11 inches, with seal and ribbon attached (for framing). For each additional reward earned another seal and ribbon is attached. These certificates are free to schools. Send for sample.

The System pays for itself by increased offerings as evidenced by numerous testimonials, and may be started successfully at any time. This has been repeatedly proven by actual results.

Cross and Crown Pins Pay for Themselves

"The Cross and Crown system increased our school more than 50%, the offerings nearly 300%."—Jacob Miller, Supt. S. S. Arcanum, Ohio.

"Our school has doubled in attendance, contributions quadrupled, and the interest is intense."—J. L. P. Beeman Supt. S. S. Oblong, Ill.

"The increased collections will more than pay for the pins, in fact, we have assumed \$150 per year of the interest on the Church debt."—W. E. Griffin, Secretary S. S., New Brighton, Pa.

"Have used Cross and Crown System three years, attendance sure to grow and pay for the pins."—F. G. McCullough, Supt. S. S., Conesville, Iowa.

"The Cross and Crown System is self-supporting."—Harold I. McKeever, Cor. Secretary S. S., Brownsville, Pa.

"More than pleased, increase in attendance over 100%, in collections, even greater."—John E. Barnard, Supt., Cartersville, Ga.

Raise Money Wisely -- for Your Church

Debt, Improvements, New Building

\$30,000,000 in 5 years for 500 churches

To quote a prominent pastor: "You helped us to raise \$520,000 where we did not expect over \$300,000. Your fee was as modest as your service was satisfactory. You charged us less than a commercial organization charged for helping to raise only \$200,000 in a previous campaign."

Your church can raise, for a worthy purpose, from 50% to 500% more than your average officer expects—by a "Churchly" financial campaign, properly organized, managed by one of our consecrated and competent campaign directors, preceded by our unique "Church Loyalty Crusade" program of spiritual preparation and stewardship education.

Established under Church supervision, we pay "churchly" salaries and no dividends. We render sane and efficient service with greater economy.

Rev. A. F. McGarrah, D.D., Director of this Bureau, has long been recognized as "America's outstanding authority on church problems." His "Modern Church Finance," "Modern Church Management," and other volumes helped to introduce many of the best modern ideas as to church efficiency, both spiritual and financial.

Dr. McGarrah's counsel is available for churches which we serve, without extra charge. Consult him as to your financial problem and possibilities and as to planning for the best results.
